### SHEPWAY DISTRICT COUNCIL DEVELOPMENT CONTROL MEETING – MAY 25<sup>th</sup> 2017

The Development Control Committee (also known as the Planning Committee), met on Tuesday May 25<sup>th</sup>, the only item on the Agenda was Y16/0068/SH the retrospective planning application for the use of Otterpool Quarry as a 24 hour lorry park. The Planning Officers had recommended that the application be refused permission, also that enforcement action be taken to ensure the Lorry Park is closed and KCC Highways had grave concerns about safety.

There were spokespersons from the Parish Council and the residents of Sellindge, who both spoke against the application there were also applicant speaking for the application.

The meeting was well attended, and the debate continued for around one hour, after which it went to a vote, with the result being nine Councillors voted for refusal of the application and one for permission.

Therefore the application was refused permission and the Otterpool Lorry Park will be closing.

## SELLINDGE PARISH COUNCIL

<http://www.sellindge-pc.gov.uk>  @ParishSellindge [www.sellindgepc.kentparishes.gov.uk](http://www.sellindgepc.kentparishes.gov.uk)

Your Council met for their April meeting. The minutes of the previous meeting were agreed and these will be on the website ( [www.Sellindge-pc.gov.uk](http://www.Sellindge-pc.gov.uk) ).

During the highways updates, it was reported that the County Council are to spend an extra £4 million, for repair of pots holes in the county. So as Susan Carey always says when she is doing her reports, do report potholes etc. to KCC. But do remember that if you let your Parish Council know we can monitor the works.

A member of the public asked if your PC could arrange for a notice board to allow public notices to be advertised. As a reminder, the centre of the notice board at the bottom of Swan Lane is for this very thing and is accessible without a key. Your Parish Council will look at this at a later date to see if any other ways to have public notices.

While writing about notices, as your Clerk (and Proper Officer – a title given by law) I reported the damage that has been done to the Parish Council owned bus shelter at the bottom of Swan Lane. Your Parish Council has purchased some cleaner in the hope that this will remove the dried glue without doing any damage, otherwise the costs of replacing the Perspex will be required.

By fly posting notices around the village it makes the village look un-cared for and has caused damage to various items in the village.

Elsewhere there is a letter from a local resident regarding this issue.

Your Council considered two applications and supported one of the unanimously and one with further comments.

Some of you may remember the hedge that died outside the Old burial ground. The replacement hedge that was planted has not thrived and looks like it will not grow; it was agreed that a fence should be placed there. In addition there appears to be further die-back and so your Parish Council will be monitoring this.

And last but by no means least, Phil Coggan your newest Councillor has had to resign due to health issues.

Councillors wish him well and hope he makes a full and quick recovery as he stated in his letter of resignation he would love to come back once his health issues have been resolved.

The next meeting of the Your Council is on Tuesday 9<sup>th</sup> May and will be the Annual Meeting of Your Council.

On Tuesday May 16<sup>th</sup> the Annual Parish Assembly will be held in the Durling Hall from 7am.

From your Parish Council Clerk – Linda Hedley

## OTTERPOOL PARK

The Otterpool Park community engagement events scheduled for 18-20 May have had to be postponed as Shepway District Council will be in a period of restricted publicity in advance of the General Election to be held on June 8<sup>th</sup>. Shepway District Council is subject to pre-election restrictions set out in Section 2 of the Local Government Act 1986, as amended in 1988.

This is the same reason why we were unable to hold events in the run-up to the May 4<sup>th</sup> County Council Elections – They were obviously unaware that a General Election would be called when they announced the dates.

They will reschedule the events to happen as soon as possible after the election is held but that will be subject to venue availability. They will send further details of the schedule of events once these have been finalised.

### **POSTERS – A letter from a Sellindge resident**

To the person or persons who went along the Sellindge A20 **STICKING POSTERS** advertising the ‘Save our Countryside’ March. Well I hope that by now you would have returned to remove them.

The Countryside is not all about Greenfields etc.

Sellindge struggles to keep neat and tidy and posters stuck on every flat surface is a form of graffiti, and post boxes, bus shelters are not advertising space, and these posters are causing damage to public property, with paint work being removed while trying to take them off. A sample of a poster with paintwork has been given to the Parish Council.

This sort of graffiti goes as much against the cause as it does support it.

I and many others hope to see these posters carefully removed.

## FROM YOUR SHEPWAY DISTRICT COUNCILLORS

This week I met with the Chief Constable, Alan Pughsley, who explained the new Policing Model which will be implemented from September. He was pleased to report that he is able to put more Police Officers' on the front line and will also be able to retain 300 PCSO's. 210 will be dedicated to community policing and 90 dedicated to proactive work in communities to reduce harm to potentially vulnerable people. He would like to set-up a pilot scheme for Volunteer PCSO's who would increase this number and invites applications from local residents who are keen to support their area. (If you are interested, please let me know and I will pass details on). The 'on-going' issue of lorries parking illegally was discussed. The Police are moving lorries on, mostly from the slip roads but they will also move them on from residential areas. I recently went out with the Enforcement Officers and 8 Fixed Penalty Notices were issued in an hour around J11 and the A20.

By the time you read this, we will know the result of the retrospective planning application for change of use of Otterpool Quarry to a 24-hour lorry park. The Shepway Planning Officers have recommended that this be refused by the councillors at their meeting on 25 April. They also recommend that councillors agree that enforcement action be taken to stop the present activity.

I reported last month that a leaflet entitled "Your questions answered" on Otterpool Park would be delivered to all residents in Shepway. Delivery had to stop on 24 March because of the KCC election campaign during which both the District and County Councils have to follow strict rules about publications. However, the booklet and the Stage 1 Arcadis Stage 1 Feasibility Report can be viewed on line at [www.shepway.gov.uk/Otterpool](http://www.shepway.gov.uk/Otterpool) or you can get one from the Parish Council Office. Further Community Engagement Sessions were planned for the end of May but with the announcement of the General Election and the 'purdah' rules these have had to be postponed until after 8 June. Other Work Shops are also planned with the Business Community and local Schools.

I attended the Annual Meeting of the Sellindge & District Playing Fields last month and it was great to see the final pieces of equipment being erected in the Children's Play Area. I am very grateful to the Methodist Church for their donation of £2,500 which purchased two 'Springers' and made a contribution to the 'Blissford Plus (Climbing frame and slide)'. Special thanks go to Alan Hewitt and Terry Preston for recommending that this donation be made from the sale of the Methodist Chapel. This project, which was started several years ago is now complete - many thanks go to George Oakley and all those who have helped with fundraising - the Boot Fairs, the Firework Nights and other events.

Now the next project begins .....

I attended the monthly meeting of the Parish Council. I attended the recent meeting of the Age UK Hythe & Lyminge Trustees and they are keen to expand their Home Delivery Meal Service (£6.90 per meal 7 days per week) and their "in-house" meals (£5.25 per meal 5 days per week). Meals can be for one day, or any number of days. A range of other services are provided, see [www.age.uk.org/hytheandlyminge](http://www.age.uk.org/hytheandlyminge) 01303 269602. Volunteers are also needed so if you have a few hours to spare to help others, the Lyminge & Hythe Centres would love to hear from you.

As I am sure you will know, Shepway Councillors voted against moving forward with the proposal to create a new council for East Kent. This means that none of the councils involved can proceed with the idea but does not rule out working together as separate councils where it might save money or give a better service through economies of scale.

## **St MARYS CHURCH SELLINDGE**

Dear Friends

The Rectory, Mersham

I had to put pen to paper (or finger to keyboard) a little earlier this month and as I do so we are preparing for the most important Christian celebration of all, the celebration of Easter when Christ died, was buried and then rose again, - the Resurrection. Without the Resurrection there would be no Christian church and no celebration of Easter by millions of people throughout the world. Christ would only be regarded as a 'jolly good itinerant preacher'. Many have tried to disprove that the Resurrection happened – but none have succeeded.

By the time you read this, Easter will be well behind us and I hope that you and you families had a lovely time and enjoyed this joyous celebration; perhaps a little more than just eating chocolate Easter Eggs. However, it is now time to move on and look at what lies ahead. For Christ it was a time of getting ready to ascend to his father in Heaven, celebrated on what we call Ascension Day, which, this year falls on the 25<sup>th</sup> May. To celebrate Ascension Day Ashford Deanery is organising a challenge cricket match against the Diocese taking place at Mersham Hatch and followed by an outdoor service of Celebration. Details elsewhere or speak to Richard.

As we look forward to holidays, summer weather and to life in the church and villages moving forward to a new beginning (Novio Magnus?) and all the good news and celebration that will bring there is certainly no shortage of things to be grateful for.

Margaret and I are amazingly grateful that we have been able to spend just over three years with you in the A20 Benefice. It has been a real joy and privilege to meet so many lovely and hardworking people who are working for the benefit of the church and the village communities. But the time has come when we must retire. We have had the privilege and honour of working alongside so many people through good times and bad, but now the time is right for us to move on and start a new life for ourselves. There are many good and exciting opportunities progressing in the communities and we must leave you all to work together to support these.

We would like to say a big thank you to everyone that we have met over the last three years and all who have helped and supported us. **On the 28<sup>th</sup> May at 10 am** we are organising a celebration service with a short communion at Mersham Church. This will be an opportunity for us to say farewell as our Parish Ministry comes to an end and to have an opportunity to thank everyone. The service will take the [place of all other services in the Benefice on that day and we hope as many as possible will be able to come and join us

Margaret and I would like to wish you all every joy and happiness in the future and remember the words of Christ at His Ascension in Matthew 28:16- 20

With every Blessing Ian
