Also in May the Annual Assembly took place a week later (May 16th), for the few who did attend, there was information regarding the Scouts Open Day at the Village on Sunday June 4th. So if you have youngsters who are interested in joining come and find out more and allow them to enjoy some of the activities that are taking place both in the hall and in car park.

Your Parish Council also had a slide show showing historical maps of Sellindge from 1940 to 2013 and also some pictures that had been received; these pictures were taken of a tea party held, I think, at an event of Sellindge British Legion, Nigel will be placing one of them in the Newsletter.

Dog poop bags was on hand to collect, plus the Queens Medal to commemorate her 90 Birthday was available to purchase for £1.50. Your Council still has some of these remaining so do contact the Parish Council office if you would like to buy any.

During the evening the KALC Community Award was presented to Michael Garrod on Behalf of the Pop In; the certificate had been supported by the High Sheriff of Kent, Chairman Kent County Council and the Mayor of Medway. The award is being placed in the Village Hall.

Your Council ensured that those who attended were able to enjoy a cup of tea or coffee or even a glass of wine with a small finger buffet.

FROM YOUR SHEPWAY DISTRICT COUNCILLORS

Jenny Hollingsbee and Susan Carey, Ward Councillors for North Downs West, Shepway District Council

Jenny.hollingsbee@shepway.gov.uk 01303 812 066

susan.carey@shepway.gov.uk 01303 670 561

We are pleased to report that the councillors on the Planning and Licensing Committee accepted the planning officers' recommendation to refuse planning permission for the Lorry Park at Otterpool Quarry opposite the Airport Café. The grounds for refusal were objections raised by Kent Highways. It was agreed that an enforcement notice be served requiring the unlawful use of the land as a lorry park to cease and the unlawful buildings and structures associated with the use to be removed. The stop notice was served on May 11th 2017 with 14 days to conform. Initially, this may cause issues with increased lorries looking for somewhere to park but Enforcement Officers will keep a regular check on this situation and over time, lorries will know to use the M20 and not the A20/B2068 as a through route. (A further retrospective application for a change of use of the Airport Café to include a lorry park, two portacabins for toilet facilities and an extension of the existing parking area is due to be heard on May 30th.)

With regard to the proposed Highways England Lorry Holding Area, Shepway District Council has just been notified that because of the General Election, the hearing for the Judicial Review will be delayed - at least until October, unfortunately causing more uncertainty for local people.

The County Council Election and now the General Election has meant that the dates for the latest round of Otterpool Park Community Engagement sessions had to be postponed. The new dates are:

Thursday June 22 nd	2pm-5pm	Tin Tabernacle, Hythe.	presentation at 3pm
	7pm-9pm	Lympne Village Hall	presentation at 7:30pm
Friday June 23 rd	10am-12 Noon	The MACH, Station Road, New Romney	presentation at 10:30am
	2pm-5pm	Sellindge Social Club	presentation at 3pm
Saturday 24 th June	10am-2pm	Folkestone Library.	presentations at 10:30am & 12:30pm

The Shepway website also has the Stage 1 Feasibility and Capacity Study for the Otterpool Park area - at 246 pages is long read but it includes a summary, the whole document contains much of the detail people have been waiting to see. Jenny attended the Sellindge Primary School Governors' and the Playing Fields Meetings and both of us were at the Monthly Parish Meeting on 9 May and the Sellindge Annual Meeting on 16 May where Jenny presented Michael Garrod with a certificate from KALC (Kent Association for Local Councils) for the work of the 'Pop In group'.

Congratulations to all concerned.

Susan Carey and Jenny Hollingsbee your District Councillors

FROM YOUR KCC COUNCILLOR Susan Carey, Elham Valley Ward. susan.carey@kent.gov.uk 01303 670 561
Nearly 5,000 people voted in our Elham Valley division (which includes Sellindge) and I received 54% of the vote (up from 44% from the previous County Council elections in 2013). My vote was 2706 with a majority of 2067. The rest of the votes were spread fairly evenly among the rest of the candidates. Turnout was slightly up at 36% (compared to 35% last time) and this was higher than the average turnout of 32% across Kent. I thank everyone who voted for me and those who helped with my campaign. I promise to do my best for everyone in the division.
For Kent as a whole the Conservatives had 50% of the vote and won 67 of the 81 seats. Labour won 20% of the votes but only 5 seats and lost all their sitting councillors. The Liberal Democrats won 14% of the vote and kept the same number of councillors (7) and now become the official opposition. UKIP lost all the 16 seats they won four years ago. The boundary review makes direct comparisons difficult but in the Shepway area the Conservatives won 43% of the votes (up 10% from the 2013 election) and five seats and the Greens won 15% of the vote and one seat. All the results are available on the KCC website.

At the start of a four year term all the newly elected councillors must undergo security checks and submit a variety of forms required by law. We are also given briefings on our responsibilities especially those concerning our role as corporate parents to the children in care. We are allocated committees or special responsibilities and I am pleased to be appointed KCC's Cabinet Member for Customers, Communications and Performance which includes responsibility for (among other things) our website, internal and external communications, performance monitoring, risk management and audit.

There have been two important Government announcements since I last made a report to you. The site for the Lower Thames Crossing was announced - a decision that the County Council has been pressing to be made for the last 15 years. The Lower Thames Crossing will be a tunnel (less subject to weather disruption than a bridge) linking the A2 east of Gravesend in Kent and Tilbury on the Essex side of the Thames. Nearly 47,000 people responded to the public consultation on the Lower Thames crossing and this was the route supported by the majority.

The benefits to our area are significant. At present, most of the traffic to and from the Channel ports goes on the M20 because it is the quickest route. The Lower Thames crossing will offer a faster route for traffic between Dover and the Midlands which is where most of the HGV traffic is bound. This will relieve pressure on our roads by dividing the traffic between the two routes. Such a project will take many years to deliver but it is at last on the way.

The other piece of good news was the extra £2bn allocated by the Government for adult social services over the next three years. Kent's share of this is £26m this year (£52m in total over three years) which is a significant increase to our £364m annual social care budget. We will be debating how best to use the extra funds at our first full council meeting on 25 May which will be webcast if you want to watch.

Dear Friends

Smeeth Rectory

Since the beginning of this year, the community of Mersham has been without a *Villager* magazine. I am now pleased to report that a new editor has now been found and publication and communication can now be resumed. If anyone would like to submit anything for the *Villager*, please contact Alix Hodges on ajmhodges@hotmail.co.uk. As one vacancy is now filled, this also a month in which another one arises. Ian Campbell has worked with me as a colleague for over three years and as he and Margaret look towards retirement I would like to express my thanks for all the work they have undertaken during that time, not only in Mersham but also within the other five communities which make up our Benefice of churches.

As many of you will already know, I am also looking towards retirement at the end of August, so from September onwards the Benefice will be in a period of what the church calls *interregnum* – a latin word meaning *between reigns*. I hope no member of the clergy will ever think of themselves as reigning as king or queen over churches and communities, but in this period of time the focus falls away from one or two people in leadership positions to one where everyone has a part to play in proclaiming that the Kingdom of God is amongst us all. However, more thoughts about this in the next few months.....

The beginning of this month is also a time when the wider church looks at the implications of a time of waiting. After Jesus' resurrection from the dead and immediately before he finally returned to heaven, he told his disciples to wait until they received power. However, they had very little idea of what they were waiting for or how long the process would take.

As we celebrate the end of one period of waiting and prepare for and encounter a further one, I hope we will await what may come with hope, expectation and patience.

Richard

Please feel free to contact either Ian on 01233 501 039 or Richard, on 01303 812 697 or if you think that there is anything that we can help you with or if you want to enquire about a Christening or Wedding.
