(Ice hedge in Swan Lane)

MID – WINTER

Towards the end of January, the Village found itself covered with quite a substantial covering of snow. Transforming the Village into a winter wonderland, where children made snowmen and nature gave us an ice hedge along Swan Lane with the help of motorists splashing through a puddle in the road. The snow even cancelled the Gardeners' Jumble Sale, this will now be on Saturday March 23rd.

NEW SALT / GRIT BIN

The Parish Council purchased and has placed another salt / grit bin in Southernay Lane, near its junction with Stone Hill. Stone Hill itself is gritted / salted by Highways as it is on a bus route. In fact I had a very nice comment from a resident of the Lane.

THANK YOU – As a resident of Southernay Lane, I would like to thank the Parish Council for the salt / grit bin that has been placed in Southernay Lane near the junction with Stone Hill. It will be very helpful in making our junction with Stone Hill, far safer during the winter.

SELLINDGE VILLAGE HALL TABLE TOP FAIR

SELLINDGE STEAM & COUNTRY SHOW – May 25th to 27th 2013

Unfortunately the weather was not kind to us in 2012 and the Jubilee weekend was extremely wet. However, we have decided to go ahead with an event this year from 25-27 May 2013. Entries from local crafts, sideshows, exhibitions are welcome - we are also looking at running different arena events and a dog show has been suggested. If you are interested or have any ideas please let us know. Email: jennyhollingsbee@fsmail.net - website www.sellindgesteamandcountryshow.co.uk

SELLINDGE PARISH COUNCIL www.sellindgepc.kentparishes.gov.uk From Your Parish Council Clerk Linda Hedley
Your Parish Council met on 8th January. As usual there were the regular items to discuss. Planning, Finance, Action Log to name a few. On the Planning front, your Council supported an order for two trees at Bernhurst to be given tree Preservation Orders on them. This was in response to a request by your Council when comments were made to the planning application. Also noted was the report by your council on the modifications made to the Shepway Local Plan. A full copy of the report by your Council is available on the Parish Council Website.

Unfortunately neither your County nor District Councillor could attend due to previous engagements; however a report is always available from them both in the newsletter. Your Parish Council would like to say thank you to both of them for taking the time to write these reports.

The Action Log which is a document which your Parish Council uses to keep tabs on issues like pot holes and other projects so that an up to date list is kept, was considered. This is available in the office to check on at any time.

Invoices for payment were checked and the cheques signed. The current year's budget was checked to ensure that there would be no over spend as we come to the end of the year. Then it was on to the next year's financial situation. Your Council had been considering this since October during the full Council meetings and the Finance & General Purposes Group. Looking at the costs which are still going up, the need to commence a neighbourhood plan and to complete some of the projects that were agreed last year your Parish Council has had to increase the precept again. The percentage rate looks high at 23% but this equates to around 14p per week on a band 'd' property.

There were some letters informing your Parish Council of the new dog control areas in and around Shepway, and a leaflet reminding us that you can still find a place on many subjects at the Adult Education centres in Ashford & Folkestone.

Your Council continues to meet on the 2nd Tuesday of each month so please do come along.

SDC CLLR MRS JENNY HOLLINGSBEE 812 066 / Mobile 07887 918 458 / e-mail jennyhollingsbee@fsmail.net

I know that potholes and flooding have caused lots of problems and it is essential that they are all reported – using the KCC website or by telephone 08458 247 800. The recent snow and ice has not helped the situation. Our County Councillor, Susan Carey, is always willing to follow up issues, providing she has a reference number. I am still trying to get Arena Leisure to carry out work on the access to Gibbons Brook but without much success. I am now in touch with Lord Howard, on this issue as Arena is now part of Northern Racing – watch this space! January was a month of Civic Services and I even attended a ceremony for the Blessing of the Seas at Margate. I have been fortunate to meet the Bishop of Dover on a number of these occasions and understand that he will be installing the new Archbishop in March. Some good news from Shepway – The Cabinet have recommended that there should be no rise in Council Tax in Shepway for 2013/14. It will be frozen for the third year running thanks to a better-than-expected finance settlement from the government. This should be confirmed at the full Council Meeting this month.

FROM YOUR COUNTY COUNCILLOR

Susan Carey, Member for Elham Valley, Kent County Council

Since I last wrote the Government has announced how much Kent is to receive in grants towards services (our share of national resources). Unfortunately the reduction we face was bigger than expected and we are planning extra savings. The alternative was to raise Council Tax but we know from all our consultations that most people want us to continue to freeze Council Tax and we propose to freeze Council Tax for the third year running.

I've seen some press comment that Councils should fill the budget gaps by using their reserves. KCC used some reserves for this year's budget and will use £9 million for the 2013/14 budget. We keep reserves for known commitments such as payments for school buildings that are due under PFI contracts, and for known problems. If you look at our accounts you will see that these reserves are 'earmarked' for particular risks. If the risk passes then these funds are released for normal expenditure. The money kept for unforeseen emergencies is known as our 'free' reserves and at £47m amounts to around three weeks' expenditure. When you consider that a really hard winter can use an extra £5m for gritting our roads it's clear that reserves are not high.

The detail on the budget is on the website www.kent.gov.uk in the Budget Book and the Medium Term Financial Plan where you can see just what it is that your Council Tax pays for – care for people with a learning or physical disability, those with mental health problems, the elderly, children at risk of harm from their own families, disposal of waste, maintenance of roads and bridges, street and traffic lights, libraries, trading standards, country parks and more.

The budget will be voted on by the County Council on February 14th and the debate will be webcast on the website.

I was pleased that Sellindge Parish Council is taking up the offer from Kent Highways for a supply of salt for use on the public highway and pavements. This should allow them to tackle any local problems on the public highway or pavements that aren't covered by the Kent Highways clearance and the existing salt bins.

The cold and wet will undoubtedly cause some problems with the roads so do please use the website or phone 08458 247 800 to report anything that needs attention as only the main roads are inspected every day. The sooner a problem is reported the quicker it will be dealt with. Remember to note the reference number you are given as this will help if the work needs chasing.

WEATHER FACTS FOR DECEMBER 2012

Minimum temp. -7.00°C Wed.12th.

Mean night temp. 1.68°C

Maximum temp. 12.00°C Sat.22nd.

Mean day temp. 7.97°C

December started with a frost and bright sunshine but this was not to last. Although there were 9 nights with frost by Friday 14th there were also showers of rain, and a light fall of snow on 5th and 10th. From that date rain and strong winds were the weather pattern until the end of the month. The December total rainfall was 148.336mm (5.84 in), some 94.66 % above a December average. It was the wettest December since 2002 and prior to that in 1960. The year's total of 187 days rain and snow was 952.29mm (37.49in) but even so it did not break the record year 2000 with 187 day and a total of 1133.02mm (44.61in) or the previous record of 1966 of 164 days and 1034.67mm (40.74in).

Sellindge may have been wet but not as bad as many other parts of The British Isles.

***** Product Recall *****

Single Over Electric Blanket, Model 75310

Double with dual control Over Electric Blanket, Model 75312

Morphy Richards has issued a product recall notice on its Over Electric Blankets range with the model number 75310 and 75312. This range of over blankets were sold in the UK and Ireland through national and independent retailers and on Morphy Richards' website between October 2008 and January 2010.

The blanket can develop a fault that has the potential to cause it to overheat and catch fire.

As a precautionary measure, we are asking customers to stop using it immediately.

Owners of the affected blankets (identifiable by the model number 75310 or 75312 on the product's rating label) should stop using the blanket and contact Morphy Richards by telephone (01709 572570) or by e-mail (blankets@morphyrichards.co.uk).

Phone lines are open Monday – Friday between 8:30am – 4:00pm.

No other Morphy Richards electric blanket is affected by this product recall notice and we wish to thank all affected customers for their co-operation and apologise for any inconvenience that this has caused.

SLAMMING – Kent Trading Standards has received reports of 'pop-up windows' which appear on screen when consumers login to their email accounts on the websites of certain internet service providers. These 'pop-ups' appear to be from the Internet Service Provider to whom the website belongs and give the impression that there is something wrong with the consumer's email account. The 'pop-up' gives a phone number which the consumer must phone to get it sorted out. When the consumer phones the number a salesperson offers them a 'better deal'. The consumer may believe that they are still dealing with their existing provider but in fact they are being persuaded to take a deal with a completely different provider without their knowledge. Switching a customer from one company to another without their knowledge or consent is a form of mis-selling called 'slamming'. In some cases, the customer might not be aware that it has happened until they receive a bill from a different company.

"Slamming" can also occur as a result of a cold calling visit on your doorstep or unsolicited telephone call.

Here are some tips to help you avoid being "slammed":

- Be wary of giving out personal information over the phone
- Only agree to something over the phone if you're sure who you are talking to and what you're signing up for; if you're not sure, ask the caller to post the information to you first
- Ask to see identification from doorstep sellers to check that they are representing the company they say they are
- Don't give out your direct debit details unless you're certain you want to switch phone companies
- Don't sign anything unless you've read it and are sure of what you're signing up for

For further information on 'slamming' and what to do if you think you have been slammed, take a look at OFCOM's website here http://ask.ofcom.org.uk/help/telephone/slamming_what_to_do

You may also report any concerns you have to the Citizen's Advice Consumer Service on 08454 040506

SELLINDGE GARDENERS' ASSOCIATION

Attendance at the January meeting was almost halved due in part to the weather conditions but also because so many members were down with the dreaded winter lurgy, however those who did make it enjoyed a really good evening with a Quiz devised by Vera & Tony Orsbourne. This is the 2nd year running they have produced a really good quiz which whilst being informative also has a light hearted side to it, and all those present really enjoyed the evening.

Our apologies to anybody who went to the Village Hall for the Jumble Sale on Saturday 19th January, but it was decided at 8 a.m. that morning that the weather conditions were too unfavourable so the event was cancelled. Notices were posted up at the Hall from 8.15 a.m. and were left there until 4 p.m. If the opportunity arises that an alternative date can be arranged then the appropriate information will be included in the Village News. So watch this space!

The next meeting will be in the Durling Hall on Wednesday 20th February - 7 for 7.30 p.m. - when again Vera & Tony Orsbourne will be entertaining those present with an illustrated talk on the various Gardens visited in the past year or so. Tea hostesses for the evening: Janet Aslett & Betty Warman-Tee.

Non-members will be made most welcome - so why not come along (free of charge of course, and you'll get a free cuppa).

"STOP PRESS".

"The re-scheduled date for the Gardener's Jumble sale is confirmed as **Saturday 23rd March at 2 pm**"

SELLINDGE CHRISTIANS TOGETHER

What happened to Christmas? It seemed that it came and went very quickly and now we are already in February, time seems to go far to quick. So here I am again inviting you to our next time together which is on Sunday February 3rd at 10.30am in the Village Hall. As a village we need to come together and by joining us it is just one way that you can get to know people. After our last time together in January we had a hot meal together prepared and cooked by the ladies of the fellowship, a time to socialize and relax. As I am writing this article we have just had a day of snow which has laid quite deep, a white blanket covers the land which quietens every thing down, and if I may suggest that it is like knowing our Lord Jesus Christ his Holy Spirit is like a blanket which covers us with his goodness and love.

I would like to leave you with a short poem which has so much truth in it. Sorry I do not know the author Mike

When as a child I laughed and wepted, time crepted.
When as a youth I dreamed and talked, time walked.
When I become a full grown man, time ran,
And later as I grew, time flew,
Soon I shall find while travelling on time gone.

Dudley Shipton

'God's love holds us together and gives meaning to our lives' are the words I wrote to end last month's thoughts. Some people really believe it puts their life into perspective. It is not something imagined, it is for them and me a meaningful way of understanding and following a man called Jesus who walked this earth 2,000 years ago doing good to all whom he met and challenging everyone to love their neighbour as themselves. Why do we make such an issue of it when it is so obvious? Attending worship helps us to acknowledge our need of God and to receive his love. You are always welcome to come and join us.

Please let us know if we can help you in any way.
