SELLINDGE GETS IT'S NEW BUS STOP

Sellindge has now got a new bus stop at the bus lay – by on the A20 near the junction to Swan Lane. The Parish Council will like to thank Susan Carey our KCC Councillor, who financed the bus stop through her KCC grant.

Why have a new bus stop here? Well the old bus stop, which had been there since the 1960's, was becoming a Health and Safety issue, which crumbling concrete roof struts, plus the fact that now the number 10 bus stops here every hour and plus it's the National Express stop for people coming back from London or going to Dover.

Your Council met on 12th February. There were the usual items to debate. Under planning your Council supported the Tree Preservation Order at 1 Swan Lane. Decisions received from SDC for Humblebee Hall and Magpie Cottage, both were granted. The Payment of invoices was agreed and cheques signed.

The issue of some owners not picking up after their dogs continues. After a debate it was agreed that your Council will supply, free of charge dog poo bags for a trial period. It is hoped that the excuse of 'I don't have a bag so can't pick up after my dog' will stop. Notices of where these can be collected will be advertised once received. I think we better point out that 'I don't have a bag so can't pick up after my dog' is not an excuse that the Police or Dog Warden accept.

Your Council considered grants from the following and agreed the amounts as listed. It has to be noted the budget for grants each year is only £2,000 and the total of money requested was just over £10,000. It was finally agreed all applicants should have a share. Here is the breakdown.

- Primary School - £300
- School Association - £500
- Sports & Social Club - £500
- Scouts - £500
- Village Hall - £200

Your Council has decided that for all you techno experts out there it will start a Facebook and Twitter account. This will be another way you can contact your Council. Nigel will look after the Facebook page and Sarah-Jane will follow the tweeters. The next Council meeting will be on Tuesday March 12th. So another monthly invite for you to come along.

SDC CLLR MRS JENNY HOLLINGSBEE 812 066 / Mobile 07887 918 458 / e-mail jennyhollingsbee@fsmail.net

A success story! Last month, I became really fed-up with the flood outside of Home Farm. I have been told time and time again by KCC that it was "with contractors"! Last week when the water was still rising I telephoned the emergency number and spoke to a senior team leader. She agreed to send a crew out immediately to clear the flood. That night, on my way home, it was dry! I am told by KCC that there is a problem with a drainage pipe going into the field but that they are dealing with it. KCC have also telephoned me on several occasions with regard to issues I have reported – overhanging tree, other flooding issues, disintegration of part of Hayton Lane etc so hopefully we will see further action! As Chairman of the Council, I have attended two Graduation Services at Canterbury Cathedral, a Holocaust Memorial Services, ARTiculation student public speaking competition at the Quarterhouse, the reopening of the visitor Centre at Dungeness Power Station, had Tea at The House of Lords and supported events at Hawkinge and Lydd. I have also attended the usual Development Control and full Council Meetings, along with a number of Council Briefings.

FROM YOUR COUNTY COUNCILLOR

Susan Carey, Member for Elham Valley, Kent County Council

I hope you spent 14 February more romantically than I did at County Hall, debating the budget for 2013/14. The good news is that we have frozen Council Tax for the third year in a row. Considering inflation has risen nearly 14% in the last three years (using the RPI for each November before the council tax is set) this means a substantial real saving for Council Taxpayers. Of course your Council Tax payment is also made up of charges from other bodies and whilst Shepway District Council and the Fire Authority have also frozen charges, the Police Authority has raised its charge by just over 2%.

Not a tweeter myself, I nevertheless recently discovered Gritter Twitter – written by the drivers of the gritting trucks, it has a huge following (including at least two Sellindge Parish Councillors!) You can sign up on www.kent.gov.uk and find out where the gritting trucks are on <https://twitter.com/GrittingKent>. One of the ways KCC will continue to save money is by using these fast and low cost ways of communicating. You can't yet report a pothole with a tweet but you can click through to a map of Kent on www.kent.gov.uk to report the exact position of any potholes that you see. You can also ring on 08458 247 800. Please do report problems as only the A roads are inspected daily by a Highways Inspector and the sooner a pothole is reported the sooner it will be fixed. KCC has just allocated almost an extra £1m to highways to ensure they can get winter damage to our roads fixed and, despite the financial challenges, we plan to spend more on resurfacing this summer.

A recent letter in the local paper complained that people get 'nothing' for their Council Tax. What I think they meant was that they personally thought they got nothing. Council Tax is not a charge for services you receive as an individual but a property tax towards the cost of services which you personally may never need such as education, libraries, coroners, a rural bus service, street lights, child protection, care of the elderly mentally ill and disabled etc. Even so, everyone does get something as we all need our waste collected and disposed of legally, our roads maintained, our birth or death registered, rogue traders policed, fly tippers prosecuted etc. You also get a Councillor who represents you and it's been my privilege to be your County Councillor since 2005. County Council elections are on 02 May so I am taking a break from the newsletter and you will instead get a leaflet from me. During the campaign I am still available to help constituents so do feel free to contact me.

KENT TRADING STANDARDS Tel 08454 040 506 Email tsadvice@kent.gov.uk Website www.kent.gov.uk

Charitable house to house collections on behalf of TROOP AID.

TROOP AID is a registered charity, number 1123888, set up to support our injured service personnel returning home having been injured abroad. Fundraising arranged for the financing of operations by TROOP AID is in part the organisation of charitable house to house collections nationwide with their partner collection agent MIDLANDS TEXTILE LTD.

It has come to Trading Standards notice that counterfeit collection bags are in circulation that purport to collect on behalf of TROOP AID. In recent times fake bags have been delivered in Essex and even more recently in Croydon, Surrey.

Counterfeit bags that have been recovered, have the partner collecting company shown on the reverse as either D & P Textile Company Ltd or M P Global Company Ltd. This is not correct and any goods donated in this manner will not benefit TROOP AID. If bags related to TROOP AID are delivered and suspected of being counterfeit TROOP AID can be contacted in the first instance between 9am-4pm daily, on 0845 557 7682 or on 07982 511 148 out of hours. They can offer advice as to the legitimacy of the bags and collections. If a bag is believed to be counterfeit please retain the bag and inform Kent Trading Standards via Citizen Advice Consumer Service on 08454 040 506.

Any information as to the persons and vehicles, delivering or collecting, would be most useful to assist in the follow up enquiries.

Door to door charity collections in aid of the RNLI.

Since 2010 Local Community Recycling Services Limited (LCRSL) a textile recycling company based in Sutton Coldfield have had a contract with the RNLI for house to house charitable collections nationwide. They in turn use JT Textiles Limited based in Leeds as their collection agent.

After two years of collections the RNLI have now ended their contract for house to house collections from the beginning of January 2012. A period of grace was given until the end of January 2012 where any unused charity collection bags could be audited and returned. JT Textiles Ltd has confirmed that they have returned all surplus supplies of collecting bags to the RNLI. The RNLI do not use house to house collections as part of their fundraising.

Since this time RNLI bags have been delivered in the Dover and Maidstone areas of Kent and have been confirmed as unauthorised and therefore illegal collections. Any goods donated in this manner will not benefit the RNLI.

If RNLI bags are delivered please can the bag be retained and Trading Standards notified via Citizen Advice Consumer Service on 08454 040 506. Any information of persons, vehicles, delivering or collecting, would be useful to assist in the follow up enquiries.

Computer Scam

Kent Trading Standards have received information of a scam telephone call where the caller claims to be able to repair your computer; the caller claims that your computer has a virus and that they need to take control of the computer remotely to resolve the issue. This is done for a fee that they ask you to pay over the phone; the caller will then ask you for details on your computer so they can remotely take control. On this occasion the caller took control of the computer, the consumer could see that they had taken control and had started accessing other people's bank accounts, taking money from them. The consumer questioned them and when they refused to answer the questions, the consumer removed the internet cable to prevent further access.

If you are considering work in or on your property it is always best to get at least a couple of quotes from traders. Dudley Shipton

We are already preparing for the celebration of Easter when Jesus who died on a cross was seen to be alive again. Many people believe his spirit is very much alive in our community, fulfilling needs, sharing our concerns, comforting the sorrowful, supporting those who are unwell, watching over the dying and breathing new life into all who will accept him. It is indeed the extraordinariness of Easter's good news that the love of Jesus is all around us for us to receive and pass on to others. We can read about it in the Gospels, but we also need to demonstrate it in our everyday lives.

Please let us know if we can help you in any way.
