SELLINDGE FUTURE – THURSDAY NOVEMBER 14th – DURLING HALL – 2.30pm to 8.00pm

PUBLIC INVITED TO VIEW PLANS FOR NEW TAYLOR WIMPEY HOMES IN SELLINDGE

Leading housebuilder Taylor Wimpey is inviting people in Sellindge, Kent, to have their say on proposals to create a new residential development in the village. The developer has drawn up an emerging masterplan for approximately 250 homes and a large village green on land between the A20 and M20.

The land has been identified as a suitable site for development in Shepway District Council's Core Strategy – a document which sets out how the local authority will meet its target for new homes in the district.

Taylor Wimpey's emerging masterplan will be displayed during a public exhibition taking place at Sellindge Village Hall on Thursday 14th November between 2.30pm and 8pm. This event will give local residents, businesses, community groups and other interested parties the opportunity to find out more about the scheme and discuss the plans with the project team. Feedback received from those attending the event will be used to help Taylor Wimpey refine its development proposals before a planning application is submitted to Shepway District Council in the near future.

David Edwards, Senior Strategic Planning Manager for Taylor Wimpey Strategic Land, says: "We understand the importance of giving local people the chance to get involved and have their say on development plans for the community – and that's why we want to give Sellindge residents every opportunity to view and comment on these proposals. "The event builds on the extensive community consultation which has already taken place regarding the future of the land, through the Sellindge's Future masterplanning process. We have taken this work and, in collaboration with Shepway District Council, Kent County Council and other key stakeholders, drawn up the emerging masterplan." The proposed scheme comprises approximately 250 new homes, a large village green, a natural play area, a biodiversity park, a mixed-use local centre, extensive landscaping, traffic calming measures for the A20 and an extension to Sellindge Primary School.

Further details about the proposed development will be on display during the public consultation event, which is taking place from 2.30pm to 8pm on Thursday 14th November at Durling Hal.

SELLINDGE VILLAGE NEWS – NOVEMBER 2013 ISSUE – We are sorry that the November issue of the Sellindge Village News, may be delivered a bit late and will be in a completely different format. But, it is with great sadness that Mr John Claydon of Crown Print and Design of Wye, who has been doing our printing since the beginning of 2007, suddenly passed away, just before the November issue was to go to print. The Parish Councillors and some volunteers have rallied to produce the November issue. Thank you to the Village Hall for allowing us to use the Committee Room to collate the vast number of pages. The Parish Council will hopefully have another printing company for the December issue.

Thank you for your understanding – Nigel Fursdon, Editor.

SELLINDGE PARISH COUNCIL www.sellindgepc.kentparishes.gov.uk  @ParishSellindge

The next meeting of your Parish Council is on Tuesday 12th November in the Durling Hall at 7.30pm.

SPEEDWATCH – We are still in need of people who can spare a couple of hours a month to help your Speedwatch team. We are nearing completion of getting the equipment and will be sharing it with Lympe Parish Council, so if you can help, full training will be given at a later date. It only takes an hour of your time to be trained, but we cannot operate without the correct training.

So please call in at the Parish Council office, behind the Village Hall or e-mail me c.minister@sky.com

NEIGHBOURHOOD WATCH – There has been a series of incidents in the Village, the latest being a burglary in Greenfields. So can you help by being a NOSEY NEIGHBOUR, just keep your eyes open for anything suspicious? For example as you go to bed, just have a look around to see if anything is out of place, take a note of any strange car or van and if possible get their registration number. If in doubt or you are worried, phone 101 and tell the Police, they would rather have a few false calls, than have to come out when something serious happens. I am researching the cost of getting new Neighbourhood Watch signs, but really need more people to register an interest. So please call in at the Parish Council office, Tuesday 9am – 11.30am Friday 3pm - 5.30pm or e-mail me c.minister@sky.com

DOG POOP BAGS – Dog walkers don't forget you can pick up Dog Poop Bags FREE OF CHARGE from the Parish Council Office, they come in packs of 50. Once used, and tied they can be disposed of in any COUNCIL OWNED LITTER BIN. Councillors would like to say thank you to those who are clearing up after their dogs.

SDC CLLR MRS JENNY HOLLINGSBEE 812 066 / Mob 07887 918 458 / e-mail jennyhollingsbee@fsmail.net

Over £400,000 was requested from the 'Community Chest' which is second homes money that Shepway use for Community Projects. Unfortunately there was only £93,000 available for distribution, but I am pleased to report that the Village Hall will receive £4,500 for internal works and the Playing Fields £1,500 for fencing the Play Area. A lot of my time last month was spent on health related issues – attending the Clinical Commissioning Group for Shepway and Dover, the Health Commissioning Conference at Olympia, a number of briefings and workshops as well as the Sellindge Surgery Patients Participation Group. There is certainly a lot of change taking place in the Health Service and these events help me to give advice to local residents. I was able to give a verbal report on my activities to the Parish Council and I have dealt with a number of difficult planning matters and other issues that have been brought to my attention. I also had the opportunity to visit Hythe and Lyminge Age UK to hear about the services offered to older people – for further information Tel 01303 269 602 or contact me.

FROM YOUR KCC COUNCILLOR Susan Carey, Member for Elham Valley, KCC – 01303 670 561

Since the last newsletter, Kent County Council has received further documents from Countrystyle concerning the conditions it needs to fulfil for its planning permission at Otterpool Quarry. These include several reports about the present level of contamination on the site. You can read these on the KCC website at www.kent.gov.uk/viewapplications (search for application no SH/08/124/RVAR) and those without access to a computer can see the documents at both the Civic Centre in Folkestone and County Hall at Maidstone. The report states that they have found the sort of contaminants expected from the site's previous use and they make recommendations for dealing with this. The results of water testing from boreholes are also reported and this testing is recommended to continue every three months during construction and thereafter every six months to meet the planning condition about protecting the area from water contamination. Now is the time to ask questions and make comments. The case officer is Angela Watts and her number is 01622 221 059.

I was unable to attend the stakeholder workshop that Taylor Wimpey held on 23 September about their plans for new housing in the village but I know that both your district councillors attended and Jenny Hollingsbee tells me that the company seem keen to start soon. The conditions for the new houses include expansion of the primary school to 30 places in each year and works to the A20 to try to encourage traffic to slow down. I have therefore asked Kent Highways to postpone work on the new stretch of pavement beside the village hall until we see what's in the Taylor Wimpey plans. However, two schemes funded from my Member Highway Fund are going ahead in Sellindge. One is Speedwatch equipment which will be shared with Lympe Parish and which will enable volunteers to monitor cars and report speeding motorists to the police (they will receive a warning rather than a fine or points). Speedwatch has been very effective in other villages and I am delighted that the Parish Council has decided to join the scheme. I am also pleased that the Parish Council has accepted Kent Highways' offer of a very large bag of salt for use in the Parish this winter and my offer to fund a spreader for salting pavements and other snow clearing equipment for volunteers.

DBG MILITARY AND COLLECTABLES FAIR – DBG Militaria are running a Military and Collectables Fair in the Village Hall (whole complex) on Sunday November 17th, refreshments will be available.

CRIMESTOPPERS – Kent Police works closely with Crime Stoppers, the independent crime fighting charity. One of their successful campaigns focuses on identifying the UK's most wanted criminals. This brings together appeals from across the UK and gives you, the public, the opportunity to help the police to identify offenders, or to locate and arrest them from wherever they may be hiding. Details can be found at <https://crimestoppers-uk.org/most-wanted/> and this includes details of how you can report any individuals you may recognise or know the whereabouts of. All reports to Crime Stoppers are anonymous, the ways of reporting are detailed in the above link. Also tel 0800 555 111

MOBILE PHONE SECURITY – There have been a number of new Phone and Xbox products recently released on to the market, as we run up to Christmas it is timely to remind everyone to Protect your mobile phone

Follow these easy steps. Record your phone's unique IMEI number in case it gets lost or stolen – Type *#06# into your phone to find its IMEI number – Keep the number somewhere safe, or register it online at www.immobilise.com. Security mark your phone with a UV pen or forensic marking solution – When out, store valuables securely in a zipped pocket or bag - Don't leave valuable items unattended or on display

For more crime prevention advice or to contact your neighbourhood officer, dial 101 or visit www.kent.police.uk

Call 999 in an emergency. If deaf or speech impaired text 'police' and your message to 60066.

DARK NIGHTS – BE SAFE, BE SEEN – Our latest crime prevention campaign, **Stay Safe this Autumn**, will run from Monday 21 October until 25 November 2013, providing useful tips to keep yourself, your home and your valuables safe as the nights draw in. Remember, the clocks go back on Sunday 27 October 2013. If you will be walking or cycling in the dark, wear bright or reflective clothing so you can be seen easily by other road users and stick to busy, well-lit routes where possible. Burglars will also make the most of darker nights, when they are less likely to be spotted committing crime. Limit their chances to strike by securing your home properly before you go out or go to bed, moving valuable items like wallets or car keys away from windows or doors where they might be seen. Timer switches can also be handy to turn lights on and off, giving the illusion that someone is home.

For more tips to protect your property, visit www.kent.police.uk/staysafe

RURAL CYCLISTS – At a recent NHW meeting it was brought to our attention that rural cyclists need to take extra care in the winter. With fewer daylight hours, it's important to have good lights on your bike that are visible to motorists - white at the front and red at the rear. Always use lights after dark. You may be fined £50 if you don't have them. Avoid getting wet by investing in a good lightweight waterproof with breathable fibres. Wear bright clothing in the day and reflective clothing or accessories at night. Cycle glasses stop bits and bugs getting in your eyes, and help with low sunsets. Use appropriate hand signals when making a left or right turn. Don't use a mobile phone or earphones. Consider wearing a helmet. Keep your grip with gloves made from breathable waterproof materials. If you want more details please go on <http://www.tfl.gov.uk/roadusers/cycling/11598.aspx>

THE MACMILLAN COFFEE MORNING

The Macmillan coffee morning we held on September 27th was a big success. We raised a fantastic amount -£278 ! Thanks to all those that kindly donated cakes and biscuits towards the morning, and to those that came along.

It was great to meet some new Sellindge faces. Community spirit at its best !

Next year I think we'll go bigger and better and hold it in the village hall, so watch this space !

I think Macmillan cancer support have had a very successful year with the money raised from Coffee Mornings – a very worthy cause. Thanks again ! Helen & Sarah Jane.

The Secretary read the minutes of the last AGM which were approved by the floor and the Chairman signed the Minute Book. This was followed by the Secretary, Treasurer and Chairman all giving their reports of the past year and the reports were approved and seconded in each case. The Chairman said that as no nominations had been received he had approached the existing Committee Members asking if they were willing to stand for another year to which they all agreed, and with the approval of those members present The Officers and Committee Members were re-elected en bloc. Mrs. Anne Bryant agreed pro-tem to represent the Club on the Village Hall Committee replacing the Club's Vice Chairman - Mrs. Val Wilton - who was standing down from that post. Mrs. Bryant also kindly agreed to take on the duties of Press representative. The business of the AGM having been concluded members were then invited to partake of the Ploughman's Supper with a glass (or two) of wine or fruit juice. Members of the Committee produced two birthday cakes in celebration of the Chairman's 80th birthday the previous day. All those present seemed to enjoy the evening and the meeting closed at 9.15 pm. Up to the time of writing this report (mid Oct.) no outside interest has been shown in the proposed trip to **Kew Gardens on 15th December** so it looks as though the event will be cancelled unless there is a great influx of applications before the end of the month. (Anybody interested phone Betty 01843 597710 for full details. No reply please leave name & number, your call will be returned a.s.a.p. The next meeting of the Gardeners will be on **Wednesday 20th November** – 7.00pm for 7.30pm in the Durling Hall - when the Speaker will be **Mr. David Godden** who will be telling us all about **Butchart Gardens in Canada**. Visitors and non-members will be most welcome to join us, free of charge.

SELLINDGE WI – CALLING ALL LADIES IN SELLINDGE . How about coming along and giving us your support and input, you could make it a more up to date and modern institute, by mixing the younger generation with us oldies, otherwise the W. I. will probably be closing down at our A.G.M. on Wednesday 13th November at 7.30pm in the Durling Hall. Look forward to seeing you there. Last month we had a great talk from Georgia about all the superstitions people believe in. Teas- Jane and Mary, Competition- ' R ' .

SELLINDGE CHRISTIANS TOGETHER – Where has this past year gone, it only seemed last month that we put the clocks forward, and now we have put the clocks back and have gone into winter mode. I can't say that I like the dark mornings and the early nights, the days seem not to be very long, but as far as nature is concerned it does give the trees, shrubs and plants a rest after a busy summer. The light and dark reminds me of our GOD'S love to us every day. When we do not have GOD in our life's its like living our lives in darkness , having no clear direction to go, knocking into the things of life, BUT when we ask GOD to come into our lives it is like turning the light on in a dark room, we can see clearly the objects which surround us, we are no longer alone and in darkness. If you wish to know how you can invite GOD into your life consider coming to one of our home groups. give me a ring:- 01303 812 484 Don't forget that we have weekday services and meetings and we would be very pleased to see you at our Parish Church, St Mary's (See notice board for time of services), or my Church, Brabourne Baptist Church, Plain Rd, Brabourne. We have a service every Sunday morning at 10.30am. Other events - Art Club, Coffee Morning, Lunches, Men's Breakfast, Ladies Breakfast etc. Mike.

PLAYING OUR PART IN THE GREAT SCHEME OF LIFE.

It is easy to take everything for granted when life is going according to plan. Our lives follow a familiar pattern until something happens quite out of the blue to change things for us. The other day I was Chairing a School Governing Body meeting and all was progressing well until I announced the next item on the agenda. Everyone around the table suddenly exclaimed that I had missed out a particular item! I was sure that I had not made a mistake until it was tactfully pointed out that there was now a revised agenda that everyone else had in front of them, even if I did not! I like things to go according to plan, especially MY plan. I need things to go according to plan because I like to make the most use of every day. However, a minor hiccup is probably a good reminder to us all that our plans may not be GOD's plan or indeed the plan of other people around us. We always need to LOOK at the wider picture and act accordingly, be aware that CHANGE needs to happen for progress to be made. LISTENING to others may well be a first step and ALLOWING the Spirit of God to influence our thinking may help us APPRECIATE what life is really all about. Dudley Shipton
