JUNE 2014

Edition 602

SELLINDGE SCHOOL SUMMER FAIR

The greatest Sellindge Primary School Summer Fair will be held on June 21st between 1 and 4pm. The theme this year is carnival, so there will be lots of colour and music. There will be lots to do including lots of displays, a grand raffle, Tombola, rides and slides, BBQ, Refreshments, Stalls and Crafts.

So there is something for everyone so please come along and support your village school.

SPEEDWATCH !

At last! We have the equipment now, shared with Lympne on a fortnightly basis, to be able to monitor speeds and is being used to great effect so far on the Main Road and in Swan Lane. Thanks to Sue Covus for all her help and to Susan Carey for her support. Our team of volunteers is looking to expand: a small amount of training is needed, a visi-jacket is supplied, and we'll try to organise some sunshine too. So if you think you'd like to help out for an hour or so every now and then, please call Linda Hedley at the Parish Office or Susanne on 07958 308125.

At last the summer appears to be arriving with some recent warm days; our memories of last year's snow long gone – thank goodness.

And now an apology; in the January edition of the newsletter an application was erroneously attributed to Rectory Farm, Stone Hill. The address should have said Rectory Farm Cottage. The Clerk and Editor apologise for any concern caused by this mistake.

Your Council met as is normal on the second Tuesday of May, with the usual headings, although they are exactly that; just headings. So what was debated?

Stanley Bull was elected for the coming year as Chairman and Colin Minister as Vice Chairman.

Stanley then asked for volunteers to cover the different representative positions and for Committee / Group members and these are listed below

- KALC – Colin Minister and Chris Mason
- Town & Parish Planning user Group – Nigel Fursdon and Morgan Varrier-Smith
- Speed watch – Colin Minister and Morgan Varrier - Smith
- Sports & Social Club – Sarah Jane Sandy is happy to continue
- Neighborhood Watch coordinator – Morgan Varrier – Smith will take this on with help from Colin Minister if required.

Committees / Groups

- Personnel & Complaints – This needs three at least and Alan Keeves, Nigel Fursdon and Morgan Varrier – Smith volunteered.
- Sellindge Future – This needs four only at the moment, as the PC is waiting for further information from SDC. Volunteers were Stanley Bull, Alan Keeves, Pat Vago and Chris Mason.
- Planning Group – Nigel Fursdon and it was agreed he would be the Chairman, with Pat Vago, Morgan Varrier – Smith and Colin Minister.
- Finance & General Purposes – Alan Keeves, Nigel Fursdon, Sarah Jane Sandy and Colin Minister.
- Policy & Procedures – This is a group of people who will look at the Standing Orders and other policies that the Parish Council are required to have and to check that they do not need updating. 3 people would be enough. Stanley felt that as Chairman he should be involved, Chris Mason said he would be interested and Morgan Varrier – Smith thought it would help with learning more about the Parish Council. Alan Keeves said he was happy to be involved when the group was looking at the Finance regulations.

As they were all volunteers they were voted and agreed en block

Jenny Hollingsbee gave a short verbal report.

- There has been no application from Taylor Wimpey yet, it appears to have gone quiet.
- There is flooding outside Home farm when it rains and although this has been reported on a number of occasions do not appear to have been resolved. C Minister will pick this up.
- The next election for SDC is in 2015 and the number of Councillors will be reduced from 46 to 30. This will have an effect on the work load and the amount of representations. Another knock on effect, 'do you need a council chamber that big' a working party is being set up.
- There are very few facilities for young people with mental health issues; a group being set up to look at this.
- With S Carey she visited the youth club, the KCC have terminated the current provider but she is not sure on the current situation.

She went on to say that it is important that Councillors pass on issues they have to KALC as this is the forum to use. Your Council supported applications and the report that Nigel circulated to your Councillors will be on the website in due course.

Your Council was approached to support youngsters on work experience and this was agreed, so as well as having some-one help with the memorial garden it may be that there will be others in the future.

By the time you read this the Annual Assembly will have taken place and your Council hopes that you found the time to attend and that it was useful. If for some reason you were unable to come along then please do contact the Parish Council Office to find out what took place and to be updated with your Parish Council's future hopes.

The next meeting of the Parish Council will be on 10th June, see you there.

DOG POOP BAGS

Dog walkers don't forget you can pick up Dog Poop Bags FREE OF CHARGE from the Parish Council Office, they come in packs of 50. Once used, and tied they can be disposed of in any COUNCIL OWNED LITTER BIN.

DOG FOULING

There have been some cases of dog fouling, despite the Parish Council giving out free dog poop bags, you will know who you are, so please pop down the office and pick up some bags.

Councillors would like to say thank you to those who are clearing up after their dogs.

ANNUAL VILLAGE ASSEMBLY

The Annual Village Assembly took place in the Durling Hall on Tuesday May 27th. This was the 2nd time we used this new informal format, which includes a buffet, wine and fruit juice, coffee and tea if preferred. Last year we had around 6 members of the public attend, this year that grew to 15 members of the public. The 1st Sellindge Scouts had a display, showing what badges etc they were working towards, Kent Fire and Rescue had a fire safety display, and there was a poster showing the proposed Sellindge Lees Clock was also on display for the first time. Our KCC Councillor, Shepway District Councillor, our KCC Community Warden also attended. This year we invited the Chairmen

from our neighbouring Parish Councils to our assembly, the Chairman of Aldington and the Vice – Chairman of Lympne attended. The 2nd Annual Report was there for people to take a copy, there are some still available in the Parish Council office, if anyone wishes to have a copy. We sincerely apologise that the Pop – In article was omitted. The 2nd Annual Report is also available to download from the Parish Council website, this will include the Pop – In report. Now you may think, only 15 members of the public attended, well when we used the old formal format there would only be 1 or 2, sometimes none, so hope to see you next year.

FROM YOUR KCC COUNCILLOR Susan Carey, Member for Elham Valley, KCC – 01303 670 561

Someone has recently asked me when superfast broadband will be reaching their home so I am using this month's newsletter as an update on what Kent County Council is doing to help get superfast broadband to rural Kent. You may wonder what it has to do with the County Council as we don't provide gas, electric or your telephone service. We do, however, have an interest because access to the internet has become so important for education and for businesses, particularly as so many people work from home. We also expect that many of the ways we can help elderly or disabled people live independently will need access to the internet such as remote monitoring of health. Over the years Kent County Council has made sure schools in Kent had access to fast broadband and won Government funding for several projects to improve access to broadband in problem spots. Shepway District Council is helping with two of these projects, one on Romney Marsh and one in Stanford and Lympne. Shepway is also involved in a project to beam superfast broadband to local businesses from the top of the Civic Centre. Most densely populated areas already have access to superfast broadband but the cost of providing it to the rest of the Country is too expensive for the broadband providers to make a profit. The Government has therefore offered to part fund the expansion of superfast broadband to rural areas across the UK. Kent County Council is in an early part of this programme and is investing £10m, the Government is contributing £9.87m and BT £19.6 million. This will bring superfast broadband (at least 25 mbps) to 91% of households in Kent. The very first box of fibre optic cables funded by this scheme was 'lit up' in Densole on 18 December 2013 and engineers are currently surveying and installing new boxes across Kent.

If you go to www.kent.gov.uk and search for 'broadband maps' you will see how the superfast network is planned to spread and that those areas without superfast should at least have access to between 2 and 25mbps by the time the programme finishes at the end of 2015. And if you search for 'postcode checker' you will get an idea of when the programme will reach you.

I expect Kent County Council to agree to put an extra £5m towards getting superfast broadband to reach a further 5% of households (the government will again match fund) and this would bring superfast broadband to 96% of households. We must do more work to see how to reach the remaining 4% at an affordable cost.

If this all seems too slow then you may want to try vfast internet which offers up to 24 mbps wireless broadband. I know people in Stone Street who have been able to get superfast broadband this way.

STANFORD and POSTLING WI

We would like to thank all the ladies and the four gentlemen, who helped with our Jumble Sale at the end of April, without you we couldn't have managed. So a really big Thank You. See you next year ?

SELLINDGE GARDENERS' ASSOCIATION

At the May meeting, members were entertained by Mr Godden, who had stood in at the last moment, after the speaker who had been booked badly let the club down.

Mr Godden did a very interesting slide show on some of the Kent gardens that he had visited, which started with Halham Garden, which had a spectacular walled garden, a folly and a pet cemetery, the house itself contained a large collection of clocks.

Then we went to Dunston, commonly known as Goodnestone garden which is near Aylesham

www.goodnestoneparkgardens.co.uk the gardens run from the house to the church, and are sectioned off into rooms, which are off a yew corridor, there is also a large lawn with a cedar tree that dates back to 1700c.

From there we went to Walmer Castle Gardens, near Deal

www.english-heritage.org.uk/daysout/.../walmer-castle-and-gardens

Which has a dry moat and a vast sculptured yew hedge, the picture shows the sculptured yew hedge leading to Walmer Castle.

The lovely Queen Mothers garden.

After which we went from the extreme East of Kent to the extreme West of Kent to Chartwell House, near Westerham

www.nationaltrust.org.uk/chartwell/

The house where the late Winston Churchill and Lady Churchill lived. The gardens here boasts a large bog garden with impressive Gunners, the lovely Lady Churchill rose garden, there is also a walled garden, croquet lawn and a urn garden where Winston Churchill used to like to sit. Winston Churchill was also a keen artist, and had his own studio, which is open to the public with an exhibition of over 130 of his painting being displayed.

Last but not least, we went to Ightham Moat, near Sevenoaks www.nationaltrust.org.uk/ightham-mote This grand house has some parts of it dating back to the 1300c. There are plenty of interesting gardens here which had fallen into neglect until in 1970 an American called Mr Robinson brought it and started renovating the gardens and the buildings, he died in 1980, when he left the estate to the National Trust, who continued the renovations.

The next meeting of the Gardeners is a member's only meeting, a cheese and wine garden party at the Silver Spray on Wednesday June 18th from 7.00pm for 7.30pm. There will also be the mini Rose Show.

SELLINDGE CHURCHES – A FAILING MEMORY

Last month I apologised for making a mistake and I am sorry to say that I have done something similar.

I completely forgot to turn up at Sellindge Primary School to lead the regular morning Assembly. I had something prepared but it simply slipped my mind. Of course I have apologised for the inconvenience I caused and I still remain as Chairman of the Governors! I suppose that it is hardly a sacking offence but I do feel bad about it.

Conducting worship is a great privilege. I am grateful to have the opportunity to speak with the pupils and share thoughts about the important part spiritual development plays in our life and indeed I enjoy a time of worship with God. Maybe it is something we would prefer to leave to others but at its best it will come from the home. Whether we are of a particular faith or none it is important to have the opportunity to think about such things. How important too it is for us to give thanks for all the everyday things in life that we take for granted.
