Due to space being at a premium in last month's Magazine your Parish Council agreed not to include a report in the August Edition, so here is brief update of the July Meeting.

There were no new applications considered, however there were two decisions reported, these were, 5 Barrow Hill an application for a rear extension was granted by SDC and Pruning of Black Poplars in Lourdes Manor Close.

It was reported that the Audit by the Independent Auditor had been completed and this will now be sent off to the Audit Commission. The report was favourable and the only comment was that the direct debits should be included in the cheque list each month.

Also debated was the purchase of the Mapping system from Pear Technology and this was agreed as it will help with both the Neighbourhood Plan and any future asset management.

Now to August's meeting.

The Speed Watch sessions are going very well, I have been able to log a number of vehicles breaking the speed limit. The New Planning applications your Council considered was Meadow Bank, an application for a single dwelling. Your Council objected to this and their reasons will be on Shepway DC website.

The other application is for the 'Hybrid application on land next to the Dr's surgery for the 250 dwellings which was the focus on the Sellindge Future document from last year. To enable residents to see the application and what is proposed your Council has arranged for a Public Exhibition on Saturday 13th September, where it is hoped that representatives from Taylor Wimpey or their agents BartonWillmore will be in attendance. Keep a look out on the notice boards for further information.

Also at that exhibition will be further information about the Neighbourhood Plan. Together some of your Councillors and some of the working group members met at very short notice, a Mr Jim Boot who your Council has agreed to engage to lead the project until December. From that exhibition any details will be considered and a decision will be taken as to whether to continue with a Neighbourhood Plan or to continue with a smaller project called a Community Plan. Mr Boot has carried out a number of both types of projects and is well versed to assist.

Your Council have been able to engage Mr Boot due to a grant obtained by 'Locality' a central government organisation which funds these projects.

An email was received from a young lady called Isobel Barry who is doing a dissertation. She is asking for people to come forward who lived in the village around the time of the HS1 railway and the objections to it prior to being built, if you can help please contact the Clerk at the Council Office and details can be passed to you.

The next PC meeting is on 9th September in the Durling hall and while writing this I note that the evenings are drawing in, summer does not seem that far away but it feels like autumn is here already.

Your Council are pleased to see residents attend the meeting, so do please come along.

From Your Parish Council Clerk Linda Hedley

### **DOG POOP BAGS – PLEASE DO NOT USE CARRIER BAGS, PLEASE USE PROPER DOG POOP BAGS.**

Dog walkers don't forget you can pick up Dog Poop Bags FREE OF CHARGE from the Parish Council Office, they come in packs of 50. Once used, and tied they can be disposed of in any COUNCIL OWNED LITTER BIN.

### **SPEEDWATCH**

By now you would have seen the Speedwatch Team out and about the Village with the Speedwatch equipment. As they have been doing a sterling job in trying to keep our Village safe.

In the two months of operating the following figures are.

June 25th, 26th and 27th this was a trial period to get everyone familiar with the equipment.

July 3rd, 10th, 18th and 20th – 21 vehicles logged and 3 letters were sent by the Police for + 50% over speed limit.

July 28th – There were 7 vehicles logged.

July 29th and 30th – 17 vehicles logged, 2 letters sent by Police 1 for + 50% over speed limit and 1 for a 2nd offence.

We are still in need of volunteers, so if you could spare an hour once in a while.

Please see 1 of our team or call into the Parish Council Office.

Colin Minister

### **DOG EXERCISING IN GREENFIELDS**

Could dog owners exercising their dogs on Greenfields Estate, PLEASE make certain their animals do not foul the front lawn grass, cut and maintained by residents – many over 75 years old.

It is believed, some 'walkers' are not residents of the estate – making it more alarming – unaccountable and obscene.

Please, please help us to keep the estate as clean and tidy as possible. Thank You.

A Greenfields Resident.

**SDC CLLR MRS JENNY HOLLINGSBEE** 812 066 / Mob 07887 918 458 / [jenny.hollingsbee@shepway.gov](mailto:jenny.hollingsbee@shepway.gov)

The Taylor Wimpey Planning Application Y14/0873/SH for outline planning permission for 200 houses and full application for 50 dwellings has now been submitted and validated by SDC. I know that the Parish Council is organizing a public exhibition so that the final plans can be viewed by residents. Comments on the application can be made to SDC right up until the date of the Development Control Meeting and I understand this is likely to be early December 2014.

On the Children's Play Area at the Sports and Social Club, there has been a problem with Health & Safety issues and a dispute with the contractors about the laying of safety surfaces. Hopefully, this should soon be resolved and the area up and running. A lot of work and fundraising has taken place for this play area and the Committee are keen to get it fully into action.

I have been involved with a number of planning and housing issues for local residents and I am always available to give help and advice particularly on Shepway District Council matters.

Within my Community Role, I have visited the Kent Royal Marine Cadets on their Summer Camp at Reinden Wood Hawkinge, was in the march from The Metropole to the Harbour on the unveiling of the Memorial Arch by Prince Harry, attended the Brigade of Gurkha's concert and visited a pilot scheme to give young people not in education, employment or training, the opportunity to gain access to the wisdom and experience of role models from the workplace. This was a very inspiring experience for me to see a group of young lads actively involved in a project which after the first two days produced a chicken house, two stools and house signs all made from chestnut. These products are for sale and if anyone is interested please let me know.

**FROM YOUR KCC COUNCILLOR Susan Carey**, Member for Elham Valley, KCC – 01303 670 561

It was fine weather for the litterpick on 26 July and one of the volunteers began a few hours in advance of the main party to avoid the heat. The rest of us topped up our tans and collected several bags of sweet papers, plastic bottles and cigarette litter. I helped with Swan Lane which was not badly littered so we were able to cover ground rapidly. What we couldn't remove was the dirt and small stones that accumulate in the gutter and Shepway District Council arranged for the gutters to be swept in early August, I hope everyone notices just how spruce the village now looks. On 04 August many people took part in events to mark the centenary of the start of the First World War from the big formal events such as opening of the Stepshort memorial arch in Folkestone to individuals participating in turning off lights at 11pm to mark the exact moment Britain declared war.

Both Kent County Council and Shepway District Council gave major grants to the Stepshort arch which is at the top of the road from the Leas to the harbour. It was down this road that millions of troops marched down to the harbour. In those days it was known as Slope Road because it was so steep but after the war was renamed the Road of Remembrance. The Stepshort name comes from the command given to troops on the steep road as a normal march would have toppled them.

The Stepshort memorial arch is modern in style but very beautiful and is lit up after dark. Each Sunday at 7pm till Remembrance Sunday on 09 November a bugler at the arch will sound the last post followed by a two minute silence and then Reveille. The Stepshort project also includes a visitor centre and an education scheme and you can find more information on their website [www.stepshort.co.uk](http://www.stepshort.co.uk)

KCC's archive centre houses an extensive collection of documents from the First World War and volunteers have created an online timeline of events in Kent during the conflict. The timeline starts in April 1914 as even before the declaration of war on 04 August there were rehearsals for rescue operations held in Faversham. There's material from across Kent, much from Folkestone which played a major role as the embarkation port for troops going to the Front.

To see the timeline or add your family letters or photos from this time go to

Please be reminded to lock doors and windows when going out and there are precautions in place to prevent entry even when at home, locked side gates are a good deterrent. Crime in Sellindge is very low but it does happen. Door step callers, such as duster sellers, people asking to clean your roof, gutters and driveways. These are all cold callers please do not let them into your home, if you need any of these services make your own arrangements and go by recommendation or check-a-trade run by Kent Trading Standards.

It was reported this week that Kent has the highest incidence of dog thefts so all the precautions you take for your home apply to your pets keep them safe do not leave unattended in public places make sure garden gates are locked and secure.

I have been asked by some residents to remind people of crime reporting codes.

999 is for emergencies, crime in action, fire, life threatening emergencies.

101 for all non-urgent crime, theft, minor incident, cause for concern whether it be people / animal / related.

Speed Watch is going well. Warning letters of excess speed have been generated from all sessions. Speed Watch is about education and to slow down the vehicles passing through Sellindge.

Please contact me if you are interested in taking part as training session will be taking place soon.

## SELLINDGE GARDENERS' ASSOCIATION

The Gardeners held their annual Summer Show in the Village Hall on Sunday 17th August, and the entries were extremely good. The six Judges (all independent of the Club) spoke very highly of the entries, so it would have been nice to see some more Sellindge residents visiting the event, it being the highlight of the Club's year. The Show was widely advertised apart from being highlighted in the Village News. Perhaps the early afternoon short lived storm put people off. Despite that the Show was a success. At the August Club meeting the Show was the topic of discussion, and the Committee took note of suggestions for future shows from the members.

The next meeting of the Gardeners Association will take place on **Wednesday 17th September** in the Durling Hall 7 for 7.30 pm. The Speaker will be **Mr. Neil Arnold** whose subject is "**Mystery Animals of the South East**".

The Refreshment Hostesses will be Pauline Chiverrell and June Wales.

As always non-members will be made most welcome and there will be a cuppa of your choice - all free of charge and with no obligation involved. So why not pay us a visit? You don't have to be an ardent gardener - just come along and see what goes on in your Village Hall with the Gardening Assn. once a month. We'll be very happy to see you.

## SELLINDGE CHRISTIANS TOGETHER

It has been a very nice summer, sunshine and very warm at times, but we are getting close to autumn, the days are getting shorter and its not so warm. The harvest has been gathered in and we thank GOD that it has been a good one. I would like you to think of, and pray for all those folk in the Middle East who are suffering and losing their homes and families through war.

Calling all men, we are having a Mens Breakfast on Saturday 4th October at Brabourne Baptist Church 8.15am cost £3.00. A good full English Breakfast and a very interesting speaker, give Mike Crisp a ring to say that you would like to come 01303 812 484.

## SELLINDGE CHURCHES

During the improvements to the local Tesco store, products are being moved around and it has sometimes been quite difficult to find what you are looking for. However, helpful staff with prominent blue 'lollipops' are always on hand to point you in the right direction. It has been rather like that in the Rectory over the summer, although without the lollipops. Almost the entire house has been re-decorated both inside and out and having cleared most windowsills and shelves, we now wonder where some things are. Most things have turned up in sometimes unexpected places and we have even found things we had forgotten we had! Jesus talked quite a lot about losing and finding things, reminding us of how much God cares for us. The Christian faith today urges us to think about what we may have lost in the past – a faith for instance that seems to have lapsed. When we find a relationship with God we find out more about ourselves and other people. That is surely a cause for celebration.

**Please let us know if we can help you in any way.**
