Your Parish Council met in June, those of you who were present would have noticed that I did not attend the first part of the meeting as I was at Shepway District Council speaking on behalf of your Parish Council against an application in the village. There were other applications which your Council considered, these included Milland, 55 Swan Lane, 6 Forge Close and Holiday Extras. Although Holiday extras are not in the parish, when they first applied for the existing building Sellindge was given the opportunity to comment it was felt appropriate to comment due to the traffic that may be generated by the extra staff coming from the direction Ashford.

While on the subject of planning applications I would like to highlight that your Councillors do not consider any application other than in an unbiased and even handed manner. Most of the Councillors have attended planning training arranged by the Kent Association of Local Councils to ensure that any comments your Council makes are relevant to the application and not to the person making it.

PCSO Report – The PCSO was unable to attend but did send a report which was read out by the Chairman. It is nice to be getting a regular report from our PCSO now after such a long wait for a replacement. He does hope to be able to attend one of our meetings, but this has been prevented due to his work pattern.

Garage Safari – There has been some interest in this already and it is hoped that more people will join this year. The cost of the being ‘put on the map’ is £5.00 and this money goes to the Sellindge Community Fund. If you live beyond the centre of the village and still want to be involved, we are arranging for tables to be in the car park.

Community Fund – As mentioned some while ago, the Sellindge Community Fund is for groups and organisations to be paid a grant, if you have any projects that require some funding do get in touch with the Parish Council Clerk and an application form can be sent to you. Completed and returned the applications will be considered by the Committee.

Rough ground at Meadow Grove – The Parish Council is considering purchasing the rough ground at the entrance to Meadow Grove, then to clear it of brambles and make it a public open space, any comments please contact the Clerk to the Parish Council on 01303 813 271 or e-mail sellindge-parishcouncil@btconnect.com Item to be on next Agenda.

Dog Poo Bags – Your Council is still providing these for use free of charge, members consider that this has made a difference to the village. The Chairman and other councillors would like to say ‘thank you’ to all those who are taking the time and trouble to pick up after their dog/s.

FROM YOUR DISTRICT COUNCILLORS

Jenny Hollingsbee and Susan Carey, Ward Councillors for North Downs West, Shepway District Council

Jenny.hollingsbee@shepway.gov.uk 01303 812 066 susan.carey@shepway.gov.uk 01303 670 561

Over the next four years we intend to report to you about the work of Shepway District Council, as well as local issues that come our way and we’d like to make a start by telling you about the priorities the new administration has agreed. Our top priority for Shepway as a whole is to grow the economy and help create more high skilled and well paid jobs. Our other priorities are to build more homes (in the right places), to keep our district looking its best and to involve our community in how we do all this. To help involve our community all District Councillors will have a ‘ward plan’ and they are being briefed on this so that they can then work with their Parish Councils and local groups on establishing local priorities for each ward. There will be grants available to support the ward plans and more importantly we hope to get people working together on shared objectives.

For information, Jenny has been appointed Deputy Leader with Cabinet responsibility for Communities (including Health & Wellbeing). She is also the Shepway representative on a number of outside bodies e.g. Age UK Lyminge and the Boulogne Shepway Co-operation Group. She has also been asked to serve on the Development Control Committee which is an area she knows well having served on the Committee for over 16 years and Chairman for 4. Susan has been appointed Cabinet Member for Finance and has already been hard at work on papers for Shepway’s audit committee and responding to the Government’s review on business rates.

We were both on the Development Control Committee on 09 June where the application to build an extra house at Meadowbank on Main Road in Sellindge was considered. Development Control Committee is a quasi-judicial body and Councillors have to act in accordance with both national and local policy when making their decisions.

Applicants have the right of appeal to the Planning Inspectorate which can award costs against the Council if it is found to have refused permission unreasonably and all decisions are potentially subject to judicial review.

WEATHER FACTS FOR APRIL 2015

MOTORWAY BRIDGE GRAFFITI TIMELINE

When the bridge graffiti happened in 2013 the Parish Council immediately informed Shepway District Council, who did come straight out, but would only remove swear words, as the bridges are not the property of Shepway District Council. The Parish Council contacted the owners, which were Railtrack for the old bridge, CTRL who owns the new high speed link bridge, who within a week, came out and painted over all the graffiti on their bridge, the Highways Agency who own the Motorway bridge.

Apart from the new high speed link bridge, the Parish Council have had no response from the other owners, despite numerous correspondences.

In 2014, the Community Payback team were contacted, and first of all they were very keen to do it as one of their projects, but with various 'red tape', they were unable to do the job due to insurance problems, with the road being a 40mph speed limit. But we must say the Community Payback representative did really try.

Now we come to the present day, 2015, where the old bridge, seems to have cleaned itself, from exposure to rain and spray from traffic, the new high speed link bridge remains graffiti free, but the Motorway Bridge has become even worse. The matter was brought up by a young man on the 'Sellindge Village facebook group', which caused a debate, as a result the

Chairman Stanley 'Pip' Bull has said about painting the walls of the motorway bridge, with the help of Volunteers from the Village. All the volunteers will be covered by the Parish Council Public

Liability insurance policy, but before we can do this, to keep things legal, we will have to send the Highways Agency a letter of intent, stating what we are going to do. Doing this should protect the Parish Council from being sued.

Nigel Fursdon – Vice-Chairman, Sellindge Parish Council.

CRAFT GROUP

I would like to thank everyone who has kindly given me their support to start a Craft Group in Sellindge. The knitters and crotchetier are beavering away making items for charity and will also be helping to make some for sale at our Art and Craft Show on Saturday October 10th. Thanks to one of our members, we now have the loan of a sewing machine, which we look forward to using to make items for sale or to produce other crafts. Several people are learning new skills and I hope to introduce more crafts in future. Unfortunately, some of our members have had health problems and I do wish them well and hope to see them again soon.

We intend to improve the facilities by installing a sink to enable us to draw drinking water and to wash materials etc. Anyone wishing to join us on Tuesdays 1.30pm to 3.30pm at Sellindge Sports and Social Club, will be very welcome to come along and have a cup of tea and see if you would like to become a member of our group. There is no obligation to come every week or to stay for 2 hours if you need to leave to collect children etc.

FROM YOUR KCC COUNCILLOR Susan Carey, Member for Elham Valley, KCC –

01303 670 561 or e-mail susan.carey@kent.gov.uk

Since I last wrote the results of the consultation on Kent County Council's proposal to pass Kent's library, archive and registration services to a Charitable Trust have been reported to the Cabinet Committee responsible for Communities. The meeting on 20 May was webcast and can be seen on www.kent.gov.uk (search for webcast).

KCC has 99 libraries, 6 Register Offices, 11 mobile libraries and an archive centre in Maidstone with over 14km of shelving of historic documents. The public consultation received 2,143 responses 1,969 from individuals and the rest from organisations. Overwhelmingly the responses came from users of the library service with 92% of responses from those who had used a library within the last month. Nearly 40% of responses agreed that a Charitable Trust would be a good way to protect and expand services and nearly 43% of respondents disagreed (the balance expressed no view). People were also asked for suggestions on how to reverse the slow steady decline in library use over recent years and ideas on how to make savings/increase income. 63% of respondents left this part of the consultation blank and 50% of those who replied simply said KCC should pay but there were also some ideas for community activities, cafes and other services which are all being evaluated.

The trust model would allow significant savings to be made on business rates and help access to other funding so it is still considered a good option for the future. However, there needs to be a change in national legislation to allow the registration service to be moved to a charity so until this happens KCC will continue to run libraries, registration and archives and will have to make the savings needed without the help of reduced rates and charity status.

There's still a big budget gap to bridge for the UK's public finances and, unlike the NHS, local government is not a protected area. We expect the level of our government grant to continue to fall and we are working on plans to make £209m of savings over the next three years to cope with reduced income and rising demand for social care. We will know if more is needed after the Government's Emergency Budget on 08 July.

The resurfacing work at Farthing Common, Blind House Lane and part of Swan Lane is now complete. Do please continue to report potholes so that they can be dealt with promptly and keep a note of the reference number so that progress can be chased if necessary.

Finally, look out for good news on broadband access at the end of June. A £11.2m investment by KCC and the Government will bring better broadband access to more households. The plans showing which areas will benefit should be available on www.kent.gov.uk (search for broadband) by the end of June together with a timetable for when the work will be done. This should mean that 95% of households in Kent will have access to broadband and we are looking at ways to reach the final 5%.

SELLINDGE GARDENERS' ASSOCIATION

The Gardeners enjoyed a nice evening for their Garden Party in June.

Although there was some cloud, the evening went well, people enjoyed a stroll around the gardens of The Silver Spray, which looked fantastic being in full bloom and full of every colour available.

The annual Mini Rose competition was held, with a good entry of roses which is pictured to the left, the winning rose being the only peach coloured rose in the centre of the table.

Members enjoyed a fine buffet, with wine or fruit juice, and discussions took place about the forthcoming Summer Show on Sunday August 16th. The next meeting is on Wednesday July 15th in the Durling Hall at 7.30pm when Don Wilks will be giving an illustrated talk entitled 'The Kruger National Park in the dry season'. The Kruger National Park is in South Africa. <http://www.sanparks.org/parks/kruger/>
New members and visitors are most welcome.

SELLINDGE YOUTH CLUB

Sellindge Youth Club has been re-opened since October 2014 and since then we have seen a variety of activities participated in by young people on a weekly basis.

Firstly, we'd like to officially announce and welcome aboard Morgan Varrier-Smith who is our young Parish Council Rep & Volunteer and Harriette Cook, Liam Solomon, Josh Varrier-Smith and Nathan Beaney as Young Leaders for SYC. Young Leaders will also soon be providing valuable youth work support at Brenzett Youth Club alongside peers and young people. Congratulations also goes out to Josh Varrier-Smith and Nathan Beaney who have both successfully achieved their nationally accredited AQA Award in Table Tennis Unit 1. Both have really progressed in the sport with Josh now taking up the role of junior table tennis coach. Watch this space for future competitions and development.

Weekly Youth Club activities have included group discussions, football, chill, music, tennis, boxercise and pool competitions and, most recently, young people from our Brenzett Youth Club (BYC) have been attending, which has provided for 5-a-side football as well as helping to build relationships between young people.

Football training on Saturdays will now be at Hamstreet starting at 10am-12pm. Attendance will provide a connection with an Ashford Premier League Football Team, who we plan to start partnership working with to develop young people in sports skills, teamwork, social skills helping to build relationships.

Finally and most importantly, we'd like to say a HUGE THANKYOU to all the young people who come along to Youth Club every week. Without you, none of this would be possible and we hope to have a lot more fun in the next six months with day trips and community events!

Please speak to Dean Burfield, Youth Worker, on 07795 495 054 or by e-mail dburfield@Stepaheadsupport.org.uk if you have any questions. If you are interested in volunteering, have any questions, queries or feedback relating to the Stepahead Support Rural Youth Service please contact Susan Amos on 07795 495 074 or by e-mail samos@Stepaheadsupport.org.uk

Sellindge Youth Club will be open from 5pm to 7.30pm over the Summer.

Thank you, Dean Burfield, Rural Youth Worker, Shepway & Maidstone

JULY SERVICES AT YOUR VILLAGE CHURCH

SELLINDGE CHURCHES – From The Rectory, Smeeth.

Dear Friends – It was sad to hear a month or so ago of a young teenage girl who apparently took her own life shortly after returning from a family holiday. Whilst not knowing all the facts of the case, it may have been that her holiday had been so idyllic and stress-free, that she just could not cope with the realities of normal everyday life.

These summer months are traditionally those when many people come and go on their annual time away. However with modern technology it is increasingly easy to keep in touch with life at home even though we may be many miles away.

Phone calls, text messages and e-mails tend to travel with us wherever we may be.

Maybe, though, we sometimes need to give our mobile phones and computers a bit of a rest if we are to really benefit from our time away. This does require a determined and disciplined effort and we may need to ensure that people have other means of contacting us in a real emergency.

We may be able to get used to this idea even when we are still at home. How about giving our mobile phones and extra hour of rest in the mornings, or switching then off for one evening a week? This can then be extended to longer periods as we realise that life is still possible in those 'silent' hours. We may also feel the benefit of improved communication with those closest to us and of time simply to be in the company of others and of appreciating the presence of God around us. Even Jesus himself needed time to be alone or in the close company of one or two others to get closer to his Father and develop his relationship with him. This may only have been for a couple of hours, or a couple of days, but he always seemed to be better prepared when he returned to the busyness of life around him.

I hope we can take time for stillness where we are away or at home, for a short or a longer time, in July or in January.
