THE WICKED TRADE

Sellindge author, Nathan Dylan Goodwin has just released his latest genealogical crime mystery story, entitled *The Wicked Trade*. The novel is set in familiar local locations, notably Aldington and Hythe during the turbulent 1820s, when smuggling was rife in the area. The story revolves around the protagonist, Morton Farrier using his skills as a forensic genealogist to work to untangle the life of a disreputable criminal, Ann Fothergill from the notorious Aldington Gang and her connection with the brutal killing of Quartermaster Richard Morgan.

This story, based on some actual events and real characters, is the seventh book in the Morton Farrier genealogical crime mystery series, and is available in paperback and Kindle editions. It can also be purchased in combination with the preceding short story, *The Suffragette's Secret*.

For more information, see the author's website at www.nathandylangoodwin.com

SELLINDGE ROAD CALMING SCHEME

The road calming scheme which is going to be constructed by Walker Construction, and was due to start on April 3rd may be delayed by a couple of weeks.

This has been caused by problems experienced by Balfour Beatty, with the week of sub – zero temperatures and other technical problems, which has delayed them.

SPEEDWATCH – Interested in volunteering for Speed Watch, please complete and return to the Parish Council Office, drop into the Pop In or give to a Parish Councillor.

Name - Phone Email

Address -

Your Parish Council met a week later than advertised; it was felt best to delay the meeting due to the road closure that had been arranged by the County Council to repair the poor surface of the road through the centre of the village.

Your Parish Council hopes that this did not cause you any problems and that you were still able to attend.

Both Jenny and Susan – your District and County Councillors – were unable to attend, however I am sure that their reports in the Newsletter will be just as informative.

Your Parish Council is now up to full strength with the co-option of David, who lives in the Barrow Hill area.

There were no planning applications to consider, but your Parish Council did consider the Places and Polices draft submission and comments were agreed to put forward.

We have been able to obtain a grant from Susan towards the costs of the refurbishment of the red telephone box in Greenfields and there will be some money left towards a defibrillator as well. It was noted that some vandalism has taken place; if you notice anyone hanging around do contact the police on 101 and report it.

Your Parish Council was not made aware correctly that the application from Quinn Estates to build on land behind Rhodes House was to be considered at a Shepway Planning Committee meeting set for March 20th, the Parish Council found out by chance. It also transpired that residents who will be affected were also not informed, and the application was postponed to the Shepway Planning Committee being held on Tuesday April 3rd. Your Parish Council had already objected to the application and is also aware that during the various questionnaires in recent year this is not what residents want to see and this is the position of your Parish Council and they will objecting to the application. As your Parish Clerk I have been authorised to speak against the application at the Shepway Planning Committee (or should I say Folkestone and Hythe Planning Committee) on 3rd April In the Civic Centre at 7pm.

Your Next Council meeting is in the Durling Hall on April 10th. Now that the lighter evenings are here do come attend these meetings. Parish Councillors are your representatives and they are always happy to hear your concerns.

I look forward to see you

From your Parish Council Clerk

Linda Hedley

Dog Poop Bags – The Parish Council is still providing these for use free of charge, members consider that this has made a difference to the village. Simply come to the Parish Council office Tues 9am – Noon & Fri 3pm – 5.30pm

The Chairman and other Councillors would like to say ‘thank you’ to all those who are taking the time and trouble to pick up after their dog/s.

FROM YOUR SHEPWAY DISTRICT COUNCILLORS

Jenny Hollingsbee and Susan Carey, Ward Councillors for North Downs West, Shepway District Council

Jenny.hollingsbee@shepway.gov.uk 01303 812 066

susan.carey@shepway.gov.uk 01303 670 561

The Secretary of State has confirmed the name change to Folkestone & Hythe District Council from this April.

With this change comes another as our Chief Executive since 2004, Alistair Stewart is taking voluntary redundancy. Alastair joined the Council at a very challenging time but saw us rise to a 'good' Council and still improving. Our top team will be smaller as part of a larger programme to change the way we work – doing more online, less staff working in offices, more staff out in the District proactively tackling problems and helping residents.

Last year we put most of our claims system for benefits online which meant people could access it 24/7 and those who did not have a computer or smartphone could use one of the computers at the Civic Centre or be visited at home. Most people found this a much better service and it freed staff to help those who most needed help. This project recently won first place in the Public Sector Transformation Awards.

On 28 February, the District Council set its budget for 2018/19 with a 2.98% increase in Council Tax which equates to an increase of £12.24 a year for a Band D property. The District Council is responsible for collecting Council Tax on behalf of Kent County Council, Kent Police, Kent Fire & Rescue Authority and your Parish Council and its share of the total bill is around 14%.

We are very pleased to report that Homes England, the Government agency which is responsible for delivering more homes, has bought land within the Otterpool Park Garden Town area and will be a full partner with the District Council. Homes England brings expertise, money and powers and this is another sign of the Government's support for the project. We expect the masterplan for Otterpool Park will be ready soon for public consultation followed by a planning application this autumn.

Jenny met with David Bradley from Taylor Wimpey as she was unable to make the public exhibition. She was pleased to learn that they would be bringing mains gas to their most westerly access on to the A20 to service their Phase 2 Development. This could also benefit local residents but will need to be investigated. There will be 48 affordable units across the development - 60% to rent and 40% shared equity. She will be informed when the waiting list is open and has asked that local people be given priority. The naming of roads was also discussed -the street names in Phase 1 have already been agreed but there is an opportunity to suggest appropriate road names for Phase 2. Let Jenny know if you have an idea.

Jenny visited the Pop-in Centre and also visited the School during the snow and would like to congratulate the School for keeping open the whole week and many thanks to all the staff who made it to work. Thank you to everyone who helped keep businesses and public services open during the bad weather and looked after vulnerable neighbours.

WEATHER FACTS FOR FEBRUARY 2018

Minimum temp. -9.25°C Wed.28th

Mean night temp. -0.76°C

Maximum temp. 11.25°C.Thur.15th.Sat.17th

Mean day temp. 5.93°C

The weather in February was affected by strong winds coming across the North Sea from Russia and it hit Great Britain with a vengeance with what was the worst winter weather for five years. The coldest night temperature since 2012 was recorded on Wednesday 28th February, and daily readings were the lowest since 2013. Once again Sellindge did not suffer as badly as other areas even in Kent. There was snow at the beginning and end of the month. On 11 days there was rain but the total was down on the February average with 90.17mm (3.55in) recorded.

FROM YOUR KCC COUNCILLOR Susan Carey, Elham Valley Ward. susan.carey@kent.gov.uk 01303 670 561

I wanted to share with you a statement made on 15 March at a meeting of the County Council by Mike Whiting who is cabinet member for Highways at KCC.

“Highways England has been tasked by Government to develop an interim solution to Operation Stack to be in place by March 2019 in time for Brexit. Highways England is developing a number of options that, while continuing to hold HGVs on the M20 in the event of delays at the ports, would also allow non-port traffic to continue to travel in both directions. Highways England is assessing different technologies ranging from steel barriers to moveable barrier systems, as well as the traffic management, including signing to get vehicles into the right lanes that could be used to enable the safe separation of two-way flow from the queuing port traffic.

KCC is being consulted by Highways England on how these options could affect the local road network. I have already written to the Secretary of State insisting that the M20 must remain fully open for two-way traffic at all times enabling our residents and businesses to travel and there must be no impact on our local road network. I stressed to the Secretary of State that the County Council wants to avoid any repeat of the disruption in 2015 when Operation Stack was in place for 32 days at an estimated cost to the Kent economy of £1.45 million per day, and emphasised that maintaining traffic fluidity post-Brexit is a of paramount importance to Kent residents, businesses and the UK economy as a whole.

A final decision on which option to take forward will be made by Government early this year, with Highways England tasked to deliver by March 2019. The selected interim scheme could be announced alongside the public consultation on the options for a permanent solution to Operation Stack with a lorry park or parks, as the on-motorway scheme would only be temporary. KCC’s response to this forthcoming consultation will be brought to the Environment and Transport Cabinet Committee at the appropriate time.

Currently the short-term contingency plan for Operation Stack is to use Manston Airport to park HGVs during severe disruption. Manston can hold approximately 4,000 lorries and would be implemented if Operation Stack Stages 1 and 2 (M20 junctions 8 to 11 coast-bound) becomes full, thus preventing the need to use the London-bound carriageway as was the case in the summer of 2015. Port of Dover lorries would be routed along the A249, M2 and A299 to Manston and then released along the A256 to Dover.

Thankfully Operation Stack has not been called since the summer of 2015, so Manston has yet to be used. The introduction of the Dover TAP scheme which queues HGVs along the inside lane of the A20 between Dover and Folkestone when there are delays at the Port of Dover has also helped prevent the need for Stack on several occasions.”

The recent snow has done great damage to our roads and we are making use of reserves to fund extra repairs. The main road through Sellindge remains a concern and anything immediately dangerous should be reported to Kent Highways on 03000 41 91 91. All other potholes can be reported on www.kent.gov.uk or 03000 41 81 81.

Finally, I sometimes hear from villagers who find their neighbours’ parking is inconsiderate. Parking on the pavement might make more room on the road but at the expense of pedestrians and in particular those with wheelchairs, pushchairs or prams. Please park on your own property or on the road.

St MARYS CHURCH SELLINDGE

FORMAL NOTICE FROM THE FORMER A20 BENEFICE

The Churchwardens and PCCs of the six Churches of the A20 (Brabourne, Mersham, Monks Horton, Sellindge, Smeeth and Stowting) are delighted to announce that, as from March 1st this year we are united in being a One Parish Benefice known as the Parish of Stour Downs.

We continue to have six individual Churches with their particular and specific service patterns, but our already close links with each other have now been formalised.

Working together will bring efficiencies of financial cost and administrative time and will facilitate any future Priest having more time to spend in and around our communities.

Our next step is to seek out the best possible candidate to be our future Priest.

ST MARY'S CHURCH SELLINDGE

Firstly, I would like to wish you a very Happy Easter.

This is the time in the Christian Calendar when we celebrate that our Lord Jesus has risen from the dead and we believe that we will have everlasting life. It is a time for great joy and also for new beginnings.

In the spirit of new beginnings, we are delighted to announce that along with our friends in Brabourne, Mersham, Monks Horton, Smeeth and Stowting we are now one Parish which will be called Stour Downs. Other than having a wonderful new name, you may wonder what the implications are of becoming one Parish. This will allow us to streamline the boring, behind the scenes stuff and allow us to focus on the daily life of our Churches. As such, you will see very little difference in the day to day life of our Church however we do hope that the new Parish will bring us closer and help us develop some new and some better relationships with the other Churches on our new Parish.

It has been a very busy time at St. Mary's. We were delighted to welcome Bishop Trevor to our Walk of Witness and to be celebrating with him across the Churches in our Parish throughout Easter.

It was wonderful to see so many people from the village at our Afternoon Tea event and it raised a fantastic £164.50. It was a great opportunity to chat to lots of people from the village including our Susan and Jenny, our Shepway District Councillors. It was brilliant to see that not even the snow could dampen, or freeze, the community spirit in our village!

During March, we also welcomed our Area Dean Rev. Tim Wilson to our Church to celebrate Holy Communion with us. We are pleased to say he will be joining us on 8th April as we welcome Gregory Parrott into the Christian family through Baptism.

We seem to have been celebrating a lot in our Church this month as we also had a fantastic Palm Sunday Party Church. We made donkeys, sang loudly and paraded around the Church. Party Church is always lots of fun, whether you are young or just young at heart you are always extremely welcome.

JM BOOKKEEPING/ ADMINISTRATION SERVICES

Are you good at the work you do but hate the paperwork and figures.

I have the knowledge and technology to take care of that side of
your business. I can organise your paperwork, invoicing, accounts,
payrolls and vat returns while you get on with your trade.

This can be done at your premises or mine. References are available.
