OUR VOLUNTEERS ARE QUALITY

The REVAMP quality mark has been awarded to Kent Community Health NHS Foundation Trust to show we are at the forefront of excellent volunteer management in the county.

Alex Krutnix, from the Canterbury and Herne Bay Volunteer Centre, said: "We were impressed by the quality of the volunteering experience, the support in place plus the very thorough induction and training programme."

REVAMP was developed by volunteer centres in Kent; it shows that an organisation offers meaningful and well-supported opportunities to potential volunteers.

The value volunteers add to our teams caring for patients were highlighted at an event to thank 500-plus people who regularly give up their time to help out.

Last year, our volunteer army contributed more than 36,000 hours supporting patients, carers and staff.

Universal Credit reached our district on 30 May and District Councillors were recently given a presentation about the change by the officer in charge of administering benefit payments. Most new claimants will claim Universal Credit but there are some important exceptions; those of pensionable age, those in temporary accommodation, those in specified (supported) accommodation and those with more than three children in the household will still need to claim the separate benefits. Universal Credit replaces six separate benefits – Housing Benefit, Income Based Employment and Support Allowance, Working Tax Credits, Income Support, Child Tax Credit and Income based Jobseekers Allowance. The other big change is that the claims are all made online. District Council staff will show people how to claim online and give advice on how to budget. They recommend this very helpful film for anyone who needs to claim www.youtube.com/channel/UC7Km4IXfVJB1n8SQUmkJD0Q

There's also information on www.understandinguniversalcredit.gov.uk

Please note, those who claim Council Tax Reduction still need to apply separately, directly to the District Council.

The District Council has awarded around £46,000 to 17 projects across the district that will mark the centenary of the end of the First World War. One of these was £10,000 to Step Short which is the Folkestone based charity behind the new memorial arch inaugurated by Prince Harry on the centenary of the start of the First World War. Step Short are arranging an Armistice Centenary March on 22 July and other events. You can find out more on www.stepshort.co.uk We don't just remember our Armed Forces from the past, the District Council has also signed up to the Armed Forces Covenant and Jenny has responsibility for this at the District Council. She attended a conference about it on 13 June at Chatham. Have a look at our website www.folkestone-hythe.gov.uk to read about the commitments to those who serve or have served in the Armed Forces and their families.

The Local Government Association has just completed a three day 'peer review' of Folkestone & Hythe District Council. It's undertaken by staff and Councillors from other Councils (our peers) to look at how we are doing and give constructive advice. Although it's supposed to be a 'friendly' review the preparation for the visit and the interviews have been demanding. We hope to let you know the result of the review in our next report.

Jenny attended Sellindge Parish Council on 12 June, the Sports & Social Club Meeting (and stewarded at the boot fair), the Otterpool Park Collaboration Board and a workshop on Otterpool Park. We are both attending the public exhibition about Otterpool Park Garden Town at Westenhanger Castle on 20 June.

FROM YOUR KCC COUNCILLOR Susan Carey, Elham Valley Ward. susan.carey@kent.gov.uk 01303 670 561

Our part of Kent suffers whenever Operation Stack fills the M20 with lorries and I haven't yet met a resident who didn't hold strong views on the matter. Now is your chance to have your say. Highways England, which is the Government Agency responsible for motorways, is holding a public consultation on how best to deal with the problem and you can send in a response up to 11.59pm on Sunday 22 July. The link is

<https://highwaysengland.citizenspace.com/he/solutions-to-operation-stack/>

As part of the consultation, Highways England will be holding an information exhibition at the Quarterhouse in Folkestone on Thursday 05 July between 2pm and 8pm.

Among the 300 plus services for which Kent County Council is responsible are the ceremonies to confer British Citizenship. They are held at the Archbishop's Palace in Maidstone by the Chairman of KCC and a representative of the Lord Lieutenant. County Councillors are invited to attend the ceremony to watch any new citizen who lives in their division take their oath of allegiance to the Queen (or make an affirmation) and it was my honour on 11 June to watch as a Sellindge resident became a British citizen. Our new citizen has lived in the village since 2005 and is a frontline worker with the NHS. The Deputy Lieutenant in attendance was Jonathan Evans (Baron Evans of Weardale) who used to be head of MI5 and he gave a speech encouraging the new citizens to volunteer with charities such as the missing persons one with which he was involved.

Now all the accounts have been finalised I can confirm that KCC had a small underspend of £0.5m on its £939m budget for the financial year 2017/18. We will be using the underspend and more funding from our reserves to extend the programme to fix the potholes left by the winter snows. Between March and 15 June nearly 26,000 potholes had been filled in Kent and nearly 70,000sqm of patching done (figures for the same period in our district were 1,741 potholes filled and 8,790 sqm of patching). Do please keep reporting potholes so that they are added to the work programme. You don't need to know the name of the road as the website www.kent.gov.uk has an interactive map where you can mark the spot or you can ring 03000 41 81 81 in office hours and 03000 41 91 91 for emergencies at other times.

Although today's children are arguably better fed, better educated and safer than previous generations they face pressures that were unimaginable only a few short years ago particularly from social media. **Headstart** is a project that offers help for both children and their parents to cope with common mental health problems. Headstart is doing work in schools and also offers advice on the website www.headstartkent.org.uk and access to online counselling. KCC won funding for this scheme from the National Lottery.

Another National Lottery funded project is Aspirations run by the charity Porchlight. It's a free mental health and wellbeing service for anyone over 18 and not in employment. Contact Lindsay Greening Aspirations Community Engagement Worker at lindsaygreening@porchlight.org.uk or Phone 07966 368532 or go to the website www.porchlight.org.uk/aspirations

Do please look at the ideas that are being considered for rural bus services in Kent. Feeder services, bookable services and taxi sharing are options to consider for those parts of Kent where the commercial bus operators can't cover the costs. The consultation is open until 08 August and you can find out more at

www.kent.gov.uk/roads-and-travel/travelling-around-kent/big-conversation

ST MARY'S CHURCH SELLINDGE

Summer is well and truly here and so it time for St. Mary's Church to invite you to our Annual Strawberry Teas on Sunday 8th July at 2pm in the Church.

This event is such a fantastic opportunity to meet others who live in Sellindge and have a natter over a cup of tea and delicious homemade cakes and scones and of course beautiful strawberries.

It is also a wonderful chance to wander round the beautiful church which is a haven in the summer as it is so cool. There is a variety of stained glass windows including a modern piece in memory of Jane Filip and Mabel Smith which can be enjoyed. For the younger villagers, we have a variety of mice which reside around the church. Why not come along and see how many you can spot? (I hasten to add these are not real!)

As well as our Strawberry Teas, we will also be having a Grand Raffle with some fantastic prizes including a family ticket for the Rare Breeds Centre, The Kennington Carvery Voucher, Free Sessions for Baby Sensory, A hamper from Potten Farm Shop, Passes for Imagine Play Centre and Cuddlies from Keel Toys to name but a few!

All money raised will go towards the up keep of the Church. We would absolutely love to see you!

As always, you find out more by visiting our facebook page www.facebook.com/stmaryssellindge

FORMAL NOTICE FROM THE FORMER A20 BENEFICE

The Churchwardens and PCCs of the six churches of the A20 (Brabourne, Mersham, Monks Horton, Sellindge, Smeeth and Stowting) are delighted to announce that, as from March 1st this year we are united in being a One Parish Benefice known as the Parish of Stour Downs.

We continue to have six individual churches with their particular and specific service patterns, but our already close links with each other have now been formalised.

Working together will bring efficiencies of financial cost and administrative time and will facilitate any future Priest having more time to spend in and around our communities.

Our next step is to seek out the best possible candidate to be our future Priest.

FORMAL NOTE FROM SELLINDGE PCC

Now both our priests have retired, we are now in a term of Interregnum.

Please be assured we will do our best to continue in the most effective way possible. To this end may we request as much support and understanding from you that you can give.

NOTE, initial contact concerning personal services, ie Baptism, Weddings, Funerals, may be made to mobile phone number 07526 688 826 and you will be directed appropriately.

For all other services please keep your eyes on the village newssheet, or www.stourdowns.org.uk

Thank you and look forward to seeing you at St Mary's or one of our special events.

Up until the mid 1980's you could of come and sit on one of these seats.

But where is it in Sellindge.
What's there now.

Even if you are a newcomer to Sellindge you may be able to work out where, as the building in the picture is still there.

I would think that most resident's even newcomers have been here at least once.
