SELLINDGE WEATHER FACTS

It's sad to report that due to ill health, Tony Orsbourne, the Gentleman who has been submitting the Sellindge Weather Facts Reports for well over 20 years, has had to retire from doing this roll.

A sincere Thank You to Tony for the many years of informative and interesting weather fact reports.

THE LEES SELLINDGE

Phase 1 of 'The Lees' development is now at an advanced state, with the show homes opening in January, before they were marketed from Shornecliffe. It is understood that the first of the new residents will be moving in soon.

PURRFECT LANDLORDS

Cats Protection is launching a major new campaign called Purrfect Landlords, to help more people living in rented housing own a pet cat. A new website offers free advice to help tenants speak to their landlords to ask for permission to own a cat. The website also offers guidance to landlords and letting agents to help ensure that tenancy agreements reflect modern day living.

Some renters may have been lucky enough to find cat-friendly housing, but live in fear of having to move, aware that cat-friendly properties are few and far between. If you live in rented housing and are not allowed cats, there are ways you can reassure your landlord that you'd be a responsible cat owner. Start by speaking to your landlord and letting them know you'd like a cat - even if your tenancy agreement doesn't allow pets, landlords may be willing to be flexible.

You can help reassure your landlord that your cat is unlikely to cause a problem by taking a [few simple steps:-](#)

Start your search early to give yourself plenty of time to look for a new rented property that will allow a cat.

Tell your landlord about the nature and behaviour of your cat to show you are a responsible owner; such as if they use a litter tray and how they interact with people and other pets.

Ask for a pet reference, if possible from a previous landlord, which helps to confirm your cat has not caused damage in the past.

If you have a cat already but your new tenancy doesn't allow pets, have a chat with the landlord. Landlords often use standard templates for tenancy agreements, but you may find they can be flexible.

Request a copy of your cat's vet records to show your landlord that your cat is neutered, microchipped, vaccinated and protected against fleas and other parasites. Folkestone and Hythe Cats Protection is urging cat owners to have their pets neutered, as they are not wanted when they become older - frequently because intact toms will spray. Unneutered female cats taken on as kittens and indoor only can escape and are likely to get pregnant - even at the young age of four months!

Copies of the Purrfect Landlords Guide can be obtained from the Cats Protection Shop at 139a High Street, Hythe. Or visit the website: www.cats.org.uk/purrfectlandlords

If you would like to contact Folkestone and Hythe Cats Protection please call: 0345 260 1253

Your Parish Council met on 8th January, and Members hope that the residents enjoyed the holiday period. The Pictures of the decorated Windows around the village do look excellent in colour so, if you have access to the internet do go to the Parish Council Website where you can view them.

At the meeting residents raised issues about the Taylor Wimpey's Phase 1 & 2.

1. The village Green will be looked after by Taylor Wimpey for the first twelve months before it is handed over to the Parish Council. It is expected that it will be used for open air events, family walks etc., however at this stage nothing has been decided. Some ideas that have been put forward are for a Village Clock, public conveniences, a memorial seat for both World Wars and a specific dog walking area. There is to be a children's play area that was agreed under the 106 arrangements where developers have to contribute to play facilities. If you have any other ideas please let the Parish Clerk know.
2. There is an application for Tree Preservation Orders coming forward (phase 2) and your PC will comment at the appropriate times.

Your County and District Councillors were in attendance and after giving their reports were happy, as always, to answer any questions. Jenny confirmed that the layby at the bottom of Otterpool Lane is to be given a good clean, the PC have been lobbying the District Council for some long time now with no success, so we have Jenny to thank for getting this sorted for us.

Under the Planning agenda item there was only one decision made. This was for permission to erect an orangery at 3 Grove Bridge. The permission was granted by the District Council.

An application has been made for the extension of the use of land for the parking of HGV's at the Airport Café. This application only arrived after the agenda had been issued. Therefore there was no time for Councillors to inspect the plans so it was agreed there would be a request to the District Council for an extension to the date by which comments could be received.

Various items of correspondence were received, for Councillors to read in their own time, there were no actions required at the Parish Council meeting.

The Parish Council has been asked if a zebra crossing could be installed at the Barrow Hill end of the village and this will added to the agenda of the next meeting for Members to consider.

Your Parish Council will next meet on 12th February 2019 in the Durling Hall at 7pm.

You are very welcome to attend to remain updated with your Parish Council actions.

From your Parish Council Clerk Linda Hedley

Dog Poo Bags – The Parish Council is still providing these for use free of charge, members consider that this has made a difference to the village. Simply come to the Parish Council office Tues 9am – Noon & Fri 3pm – 5.30pm

The Chairman and other Parish Councillors would like to say 'thank you' to all those who are taking the time and trouble to pick up after their dog/s.

FROM YOUR FOLKESTONE & HYTHE DISTRICT COUNCILLORS

Jenny Hollingsbee and Susan Carey, Ward Councillors for North Downs West, F&H D C

Jenny.hollingsbee@shepway.gov.uk 01303 812 066  susan.carey@shepway.gov.uk 01303 670 561 

We are pleased to report that national figures show households in the Folkestone & Hythe District reduced the amount of waste they threw away in 2017/18 compared with 2016/17 by a hefty 22kg Recycling rates were also up with 45.3% recycled or composted – a 2.8% improvement on the year before. Thank you to residents for their efforts in reducing waste.

With regular kerbside collections and a Household Waste Recycling Centre (HWRC) in Folkestone open seven days a week, there's no excuse for anyone to flytip. Unlike littering, flytipping is a criminal offence. The fines for this environmental crime can be unlimited with prison sentences of up to five years. Householders should be aware that it is not just those who do the flytipping who are liable. Your District Council has taken several cases of flytipping to Court and has had success in tracking down the originators of waste dumped in our country lanes. Please keep an eye out for such activity and note any number plates of vehicles involved.

We are pleased to report that the District Council's contractor Veolia has carried out a deep clean of the Otterpool Lay-by and the Area Officers will report if further action is necessary. We are also pleased that after discussions with Kent Highways and Taylor Wimpey, two bollards have been erected outside the Co-Op to help with sight lines. Our Overview and Scrutiny Committee at the District Council (of which Susan is a member) is inviting suggestions for its annual programme. To put forward your idea, email committee@folkestone-hythe.gov.uk for a form. The deadline for submissions is Friday, 22 March.

A workshop on the Otterpool Park project was recently held at Westenhanger Castle with representatives from the Parish Councils that border the proposal; further sessions will follow. We are also happy to meet with individuals to discuss Otterpool or indeed any other issues or concerns. We also extend a very warm welcome to those who have recently moved to the village. We hope to meet you soon and that you will get involved in the many clubs, activities and events here.

Among those who have recently died was someone who came to the village in the 1960s. Ron Mason was born in Wales, moved to London and then came to Sellindge. Other members of the family followed him and settled here. Ron made a great contribution to this village. He became involved with the Sellindge & District Playing Fields Benevolent Society (Sellindge Sports & Social Club) and from 1987-1996 he was Treasurer. Jenny attended Ron's funeral and our thoughts are with his daughters and grandchildren at this time. Jenny also attended the funeral of Marion Garrod who was a staunch support to her husband Michael and our thoughts are with him as well. In Stowting, we lost a well known resident, John Hammon. John was an active member of the Ashford Historical Society, Stowting Church, the Peace Room, and was a former School Governor among other roles. Again, our thoughts are with Audrey and his family at this time.

Jenny attended the Sports & Social Club Meeting, Sellindge Primary School Governors' Meeting, the Sellindge Patients' Participation Group and we both attended the Parish Council Meeting on 08 January.

Susan Carey and Jenny Hollingsbee your District Councillors

FROM YOUR KCC COUNCILLOR Susan Carey, Elham Valley Ward. susan.carey@kent.gov.uk 01303 670 561

Several people have contacted me about the traffic problems during the weekend closure of the M20 and I have personally spoken with KCC's Director of Highways about the need for action including (if necessary) changes to the traffic calming scheme. I am hopeful that Sellindge will benefit from the extra funding KCC requested from the Government (as detailed in the paper at the KCC Full Council meeting on 13 December). We need more enforcement to ensure that HGVs respect the signed diversion routes and more CCTV cameras with Automatic Number Plate Recognition.

I wrote last month about the joint planning of the Department for Transport, Highways England, Kent Police and Kent Highways are doing about how to deal with different levels of disruption to Cross Channel traffic. The contingency plans involve far better use of the M20 by keeping the London bound lanes available for two-way traffic and the Coast bound lanes for queuing traffic. Manston airport will also be used as a holding area and the test on 07 January showed that it is possible to release lorries into normal traffic. This means that the traffic waiting for the ports can be more evenly divided between the M20 corridor and the A2/M2 corridor i.e. not all through Sellindge.

KCC has received welcome news of additional funding over and above the extra announced in the Chancellor's Autumn Statement. Whilst we still need to make savings, we can now balance our budget for 2019/20 without drastic reductions to our discretionary services. We have a full day of debate on 14 February on the budget and this will be webcast live via www.kent.gov.uk

Matthew Scott, Kent's Police and Crime Commissioner launched a programme of 'Meet the Commissioner' events across Kent with the first being held at Stelling Minnis which I was pleased to organise. Jenny Hollingsbee also joined us as well as villagers from across my County division. Jenny asked questions from residents unable to make the meeting. Issues ranged from rural crime to sentencing policy and Matthew talked about the preventative work he has been commissioning to reduce the number of people having a mental health crisis with nowhere to turn but the Police. Matthew is increasing the number of Police officers in Kent and he's consulting on his plans for 2019/20 including the budget needed to take this increase to 400 extra officers. Please complete the online survey at www.kent-pcc.gov.uk/consultations or contact Matthew at Kent Police HQ, Sutton Road, Maidstone, ME14 9BZ.

January saw both a Tryangle awards for young people of our District on 11 January and the Spirit of Try Angle county-wide event held on 20 January at the Ashford International and I was honoured to present some of the awards at both events. It was heartening to hear so many positive stories about the good work young people are doing such as fundraising for a defibrillator, running dementia cafes, excelling in sport or art and in personal development. It was a welcome antidote to the relentlessly negative portrayal of young people by so much of our media. These were young people of whom we can all be proud.

Susan Carey, Member Elham Valley, Kent County Council

ST MARY'S CHURCH SELLINDGE

A Message from Rev Chris Denyer

I am going to confess to a little guilty pleasure... it's BBC's Bargain Hunt, so this reflection by Eddie Askew called "Junk Box Jesus" struck a chord.

'The other day I found Jesus in a junk box. It happened at an antique fair. There was a cardboard box of odds and ends. Most of it was junk. And among them all, Jesus. A silvery image of him anyway, nailed to a cheap black wooden cross. A crucifix. I picked it up. For a moment I thought of buying it to rescue him from among all the junk in the cardboard box. I could take him home and put him somewhere more suitable, more respectable. Maybe on the wall in my studio.

Then something told me he wouldn't want to be rescued. He'd rather be there, where he was, in the junk box among the least-valued, the throw-away pieces from a throw-away society. Jesus always had time for throw-aways, the down-and-outs and the undervalued.

So I quietly put him in the box and, as I did so, he seemed to nod and smile. Or was that just my imagination?'

(Eddie Askew, 2014 [abridged], A Little Book of Wit and Wisdom)

It made me think, where might you find God in the unexpected places, in unexpected ways? In this month that we are encouraged to show our love, with St Valentine's Day on the 14th February, perhaps we can show love for someone who will be alone, who feels unloved, unvalued? Perhaps an extra special donation to the Foodbank box, take a cake round to a lonely neighbour, a bunch of flowers for someone who would never expect to receive some...?

'Lord of old and new, open my eyes to your presence in everyone I see today.' (Eddie Askew, 2003)

*God bless,
Chris*

JM BOOKKEEPING/ ADMINISTRATION SERVICES

Are you good at the work you do but hate the paperwork and figures.

I have the knowledge and technology to take care of that side of
your business. I can organise your paperwork, invoicing, accounts,
payrolls and vat returns while you get on with your trade.

This can be done at your premises or mine. References are available.
