SELLINDGE PARISH COUNCIL www.sellindge-pc.gov.uk

Your Parish Council met for their normal monthly meeting; there were no planning applications to consider, and as both Susan and Jenny had other engagements the Clerk read out their short reports. More details will be in the newsletter I am sure.

There have been meetings with Taylor Wimpey and Folkestone District Council to finalise the play equipment that is going on the Village Green.

There were a number of issues that your Parish Council was concerned about, was that Folkestone & Hythe District Council wanted to remove the shelter which had been put forward as a meeting place for teenagers, on the grounds that it would encourage bad behaviour. Your Parish Councillors felt this was a negative comment and after the meeting this has now been reinstated.

Another issue was the picnic tables – thought a good idea – but had no access for people who had poor mobility and needed a wheel chair, when this was highlighted Taylor Wimpey have agreed to replace 2 tables with an extension at the ends to allow for access.

The plans showed an oval topped black metal railings which looked good and would not need any maintenance for many years; this has now been changed to a wooden one. Your Parish Councillors felt that this was a retrograde step, costs to maintain it would be higher and would be required more often. This issue is ongoing as I write the report.

A suggestion for an information board to be erected at the entrance to the Village green was considered a great idea and investigations for this will take place over the coming months.

Your Parish Council decided that the illuminated hanging trees would be put up again, so it is hoped that you enjoy them. Your Parish Council will be looking at extending the Christmas lighting in future years, so let Parish Councillors or your Clerk know if you would support this.

There have been some complaints about dog fouling in areas where people do not have fences or hedges around their gardens, please do pick up after your dog, I am sure owners would prefer to have you walk on their garden to collect it then leave it there.

It was good to see that Highways England (A1+ team) have painted out the graffiti under the motorway bridge.

It is also the time when your Parish Council is preparing the budget for the coming year, so if you have any suggestions on what you would like see taking place in the village do contact the Parish Council Office.

The next Parish Council meeting is on December 10th, at 7pm in the Durling Hall, if you are attending and would like to stay at the end, refreshments are be served.

From your Parish Council Clerk Linda Hedley

The Village Hall Committee is happy to support the various charity collections in the village. However, please do not leave donations in the porches when the Village Hall is unoccupied.

2

On the 5th of November we are launching an appeal for the following.

Socks, Hats, Gloves, Scarves
Warm Tops, Tracksuit bottoms
Coats, Sleeping bags.

& all types of Tinned/Dried food.

We thought it would be nice for the residents of Sellindge to help those less fortunate than ourselves to get them through the winter.

On the 5th of November we will be placing two large boxes in the Durling Hall which will be accessible between 9-12 on Mondays & Tuesdays, or if needed we can pick up anything you wish to donate if you can't get it to the Hall

Please either ring Emma on 07484642082 or pm me on here.

Please do not drop anything outside of the hall as we have promised to keep it clear. Thank you.

FROM YOUR FOLKESTONE & HYTHE DISTRICT COUNCILLORS

Jenny Hollingsbee and Susan Carey, Ward Councillors for North Downs West, F&H D C

Jenny.hollingsbee@folkestone-hythe.gov.uk 01303 812 066 susan.carey@folkestone-hythe.gov.uk 01303 670 561

As your District Council is responsible for running elections we thought it would be helpful to run through some of the arrangements for making sure you get to cast your vote for the General Election.

To vote you need to be registered and the District Council sends out regular reminders to households to make sure the register is complete. If you are not already signed up then you have missed the deadline (26 November) for the General Election on 12 December but you are in good time to register for the Police & Crime Commissioner Election next May and any by-elections that take place in the next year.

(You do not need to de-register unless you move to a new house.)

The District Council sends out polling cards a few weeks before the election. The card shows your number on the register and tells you where you should go to cast your vote in person (your polling station). If you have signed up for a postal vote your polling card will show this. Most residents in Sellindge will find that the village hall is their polling station. Polling stations are open without a break between 7 am and 10pm. You do not need to have your polling card with you to vote (though it does help speed things up) and you do not need any identification.

26 November was the deadline to apply for a postal vote for the election on 12 December. However, you can still apply for future elections and opt to be sent your ballot paper for specific elections or indefinitely. Postal votes are sent out about a week before the election. There has been talk of a postal strike so please be aware that postal votes can be hand delivered to **any** polling station in our Folkestone & Hythe constituency on 12 December or to the Civic Centre in Folkestone on any working day up to and including 12 December.

You can apply online at www.electoralcommission.org.uk or you can get a form from the District Council.

You can still apply for a proxy vote where you nominate a specific person to vote on your behalf. You have until 5pm on 04 December to do this. In unforeseen emergencies it is possible to appoint a proxy up to 5pm on the day of the election itself. You can get advice on this and other queries from the elections team at the District Council via the District Council's website or ring 01303 853497.

Susan went to one of the coffee mornings at Sellindge Village Hall on 05 November. These events at the village hall are most welcoming so do go alone and make some new friends. We are pleased to confirm we are supporting an application to our District Council Ward Member Fund for a £500 grant to the village hall towards the cost of replacement windows in the Durling Hall.

We wish you all a Merry Christmas and Happy New Year and thank the many people who make Sellindge a thriving community. Thank you to those who serve on the Parish Council, run the church, the governors at Sellindge school, those who write for, edit or distribute this newsletter, those who run our local shops, pub and businesses, the committee members of the village hall and the Sports and Social Club and everyone who keeps the village organisations going for the benefit of all. Thank you to all the volunteers and all the good neighbours among us. Susan Carey and Jenny Hollingsbee

FROM YOUR KCC COUNCILLOR Susan Carey, Elham Valley Ward. susan.carey@kent.gov.uk 01303 670 561

We now have a 31 January deadline for leaving the EU though I expect the result of the General Election on 12 December will lead to further changes. Whatever happens KCC will ensure it has contingency plans in place and, together with Kent Police and other public sector partners in the Kent Resilience Forum, we will do our best to mitigate any disruption that may occur. These plans will also stand us in good stead for winter emergencies and I'd urge you all to do your own winter planning. In winter months I always have in my car an old blanket, wellington boots, a small shovel and a torch (a winter emergency kit would be a good Christmas present for any new driver). This is in addition to my year-round first aid kit, high visibility jacket and emergency triangle sign. It's also a good idea to allow more time for your journey in winter so you can slow down if the road conditions aren't good. Please report any potholes, fallen trees, blocked drains etc. You can report online anytime at www.kent.gov.uk or phone 03000 41 81 81 in office hours. If it's an urgent problem, don't go online but ring 03000 41 91 91 any time day or night. If anything is an immediate danger to life then use 999 to contact Kent Police.

The largest share of KCC's spending is on services for older people and those with a Learning Disability but we do also have Youth services and as your County Councillor I am at regular meetings to review these. Whilst most resources are targeted at helping young people at risk of going off the rails there are also services open to all young people. An example of these is our Tryangle awards which are open to anyone to nominate a young person across a range of categories from sporting and artistic achievement, courage, community service and more. Earlier this year I attended a Tryangle Award Ceremony held in Aldington for young people from both the Ashford and Folkestone & Hythe districts. It was heartening to see so many young people doing good things and being recognised for it. We also have a very active (non-political) Youth County Council who have had several campaigns including one against bullying. Many of our Kent Youth County Councillors are also involved in Headstart which has a wealth of online resources at www.headstartkent.org.uk for young people and their families. The Kent Youth County Council are currently working on a curriculum to help young people with 'life skills' which they feel is an area where schools could do more.

We have started work at KCC for our next 5-year plan and services for our young people look likely to feature far more prominently than in the past. The new plan will be out for consultation in the New Year so that everyone has a chance to comment and I hope you too will want to support our young people.

Susan Carey, Member Elham Valley, Kent County Council

STOUR DOWNS PARISH CHURCHES – ST MARY'S CHURCH SELLINDGE

Rev. Chris' Christmas Message

If naming something that makes you think of Christmas was (and it may have been...) a question on the perennial TV gameshow "Family Fortunes", I wonder if one of the top answers would be Christmas carols. They are sung in churches, cathedrals, homes, schools, pubs and outside – and of course played on the radio. Christmas carols try to put into words what is almost impossible to express: that God has come among us as one of us. They attempt to explore the mystery of God – in Jesus- opting into the world and not exempting himself from it. We can sing about it for ever, but we also need to dare to think about what it means.

Carols are wonderful attempts to retell the familiar story of how God entered our world- not in a warhorse or a tank, but in a vulnerable baby in an occupied territory in a place of weakness. And this is how God decides to be with us- "God with us", Emmanuel.

And the angels, who came to tell this wonderful news with a song to ordinary people, began with the words to a complex world: "Don't be afraid!"

So, don't be afraid to **Follow The Star** and see what you find... discover the joy and the mystery amongst lots of opportunities to sing, question and marvel at the wonder of the good news for a troubled world. We will be taking part again in the Church of England Christmas campaign "**Follow The Star**", as the Stour Downs Parish invites our six communities to **Follow The Star** to find something different this Christmas.

Wishing you a very happy Christmas and every blessing for the New Year.

Chris

PERSONAL

RICHARD BIRCH

Thank you to everyone who attended the funeral of Richard Birch on 7th November.

Because of peoples generosity we were able to donate over £1,800 to The Pilgrims Hospice.

It was a send-off that he would've loved and for that we are truly grateful.

Margaret, Ian and Rob

Unfortunately, this month I attended the funeral of my brother Richard Birch. His sudden death has been a complete shock to the family and was totally unexpected. Richard was a very generous person, always willing to help people out and he was well known for his barbecues, both at home and raising money for charity. Over the years he has carried out work for the Playing Fields (Sports & Social Club) in many different ways, and would often be seen with his machines clearing areas, digging trenches for drains, etc - all at no charge. Over 250 people attended his funeral and the wake at the Hotel Imperial which was amazing.

Our thoughts are with Margaret, Ian, Robbie and families at this time.

Jenny Hollingsbee

JM BOOKKEEPING/ ADMINISTRATION SERVICES

Are you good at the work you do but hate the paperwork and figures.

I have the knowledge and technology to take care of that side of
your business. I can organise your paperwork, invoicing, accounts,
payrolls and vat returns while you get on with your trade.

This can be done at your premises or mine. References are available.
