With new confirmed sighting in the Dover area during July, still a **very urgent matter!**

## CONFIRMED SIGHTING OF AN ASIAN HORNET

Around mid-April there was a confirmed sighting of an Asian Hornet, somewhere in the Folkestone area. Asian Hornets are an invasive species, which pose a threat to Honeybees and other native wildlife.

The British Beekeepers Association are urging the public to be vigilant, and report any sightings the easiest way is to download the Asian Hornet App which is available for Android and iOS phones or online at [www.rise.brc.ac.uk/alert.php?species=asian\\_hornet](http://www.rise.brc.ac.uk/alert.php?species=asian_hornet)

**New confirmed sighting have been reported in the Dover area during July !**

## SELLINDGE PARISH COUNCIL

[www.sellindge-pc.gov.uk](http://www.sellindge-pc.gov.uk) 01303 813 271 [clerk@sellindge-pc.gov.uk](mailto:clerk@sellindge-pc.gov.uk)

The next meeting of your Parish Council is on Tuesday August 8<sup>th</sup> starting at 6.30pm in the Durling Hall.

From your Parish Council Clerk Linda Hedley

**Dog Poo Bags** – Dog poo bags are still available from Nigel at Trust Cottages in Moorstock Lane, he puts them on a patio chair or table outside his house, as does the Chairman who places on the front garden wall if you phone him on his mobile 07710 260 751.

Also now available from the Dog Poo Bag dispenser which is located at the entrance to the Village Green.

**Kent Libraries** [www.kent.gov.uk/leisure-and-community/libraries/visiting-a-library/mobile-libraries](http://www.kent.gov.uk/leisure-and-community/libraries/visiting-a-library/mobile-libraries)

Fridays – 2.50pm to 3.20pm on August 4<sup>th</sup> & 18<sup>th</sup>. September 1<sup>st</sup>, 15<sup>th</sup> & 29<sup>th</sup>.

## North Downs West District Councillors' Reports for Sellindge

**CLLR JENNY HOLLINGSBEE Contact:** [jenny.hollingsbee@folkestone-hythe.gov.uk](mailto:jenny.hollingsbee@folkestone-hythe.gov.uk) (Conservative)

As Leader of the Conservative Opposition Group, I have regular monthly meetings with the Chief Executive and the Leader. At the full Council Meeting on 21 June I asked the Leader to confirm the Administration's position on Otterpool Park. He confirmed the project would go ahead and 'at pace'.

On Nuclear Energy, I attended a presentation by EDF at Dungeness where they outlined the current position and talked about the future of Dungeness. At the moment they employ 945 people. They talked about the Small Modular Re-actors that are being developed and the discussions that were taking place with Government and a Ministerial visit has taken place. We await further news.

I was pleased to be co-opted to the Kent & Medway Police & Crime Panel – a panel I served on for quite a few years when I was the representative of the District Council.

Please do register with [www.mycommunityvoicekent.co.uk](http://www.mycommunityvoicekent.co.uk) to keep in touch with local policing teams.

The service sends updates about your local area directly from the police officers themselves.

Ward Grant Application forms and guidance can be found at [www.folkestone-hythe.gov.uk/community](http://www.folkestone-hythe.gov.uk/community)

The Otterpool Park Zest Festival and Otterpool Gallops were very successful and other events are planned.

To find out more and to see the Learning Programme do check the website regularly [www.otterpoolpark.org](http://www.otterpoolpark.org)

A consultation on Phase 1b 'Creating a Vision for Hill Top and Woodland Ridge' will take place on 9 September 11am-4pm at Sellindge Village Hall. This is open to anyone who would like to get involved or have an influence.

JTP Architects Masterplanners Placemakers have been appointed to undertake this work.

Elaine and I separately visited the Grove Park development, initially to discuss the issues raised by local residents which Quinn addressed very quickly. Quinn then delivered letters to 90 properties surrounding the site giving contact details should other issues arise. Grove Park is the first development in Kent to achieve

an 'A' EPC rating and on 20 July we were given a tour of the Show House and a presentation on how this rating had been achieved. We also heard from Richard Taylor-Jones, a BBC wildlife camera man who has been advising on biodiversity on the site. We saw owl boxes and the 'wild life box' allocated to purchasers. On completion of the site the wild life and biodiversity will be significantly better than the original.

We also attended the consultation on a development proposal for Elm Tree Park of 105 homes to include a new Doctors Surgery. Over 150 people attended the event and they received 80 comments. We understand that all comments will be considered and taken on board, where appropriate.

No planning application has yet been submitted to the District Council.

It's good to see so much of the work of the previous administration come to fruition including the new toilets (complete with solar panels) at the Lower Leas Park in Folkestone, the Tall Ships project for our young people, the Red Arrows at the Air Show in Folkestone on 20 August and more EV electric charging points (in partnership with KCC and with Government funding) across the district.

**Cllr Elaine Martin Contact: [Elaine.Martin@folkestone-hythe.gov.uk](mailto:Elaine.Martin@folkestone-hythe.gov.uk) (Green Party)**

In the last few weeks Stagecoach has announced several changes to the bus routes in this area. The bus service is the responsibility of KCC and we are unable to change anything. The only thing we can do, and are doing, is lobbying KCC and talking to Stagecoach. FHDC were very upset that they were not informed of the cuts before they were announced, because Stagecoach are our partners on the levelling up fund works in Folkestone and also at Otterpool Park. The change that is going to have most effect on this area is the change to number 10 route. It is being withdrawn from Eureka Park, Lympne and Port Lympne which means it will go through Sellindge, Newingreen and Sandling and on to Hythe, but there will be no service to Lympne at all. Also the Sunday service is being withdrawn. There is a rumour that the number 17 route will be affected but it isn't on Stagecoach's list of routes that are being considered for changes. In a meeting with Cllr Jim Martin, the Leader of FHDC, Stagecoach explained that they need to give 70 days notice to have the routes deregistered and have announced these route changes to comply with that requirement. Stagecoach are currently in negotiations with KCC to see what subsidies are available and will report back when these are complete. I will update you when I know the outcome of these negotiations.

When the Green Party were elected, we pledged that we would review the development at Otterpool Park. We have set in motion three reviews - governance, financial and management. All of these reviews are well advanced and will report back to Cabinet in September. It is vital for FHDC's finances that the Otterpool Park development goes ahead. The development will be net-zero and have as little impact on the landscape as possible. Of all the new Garden Villages, Otterpool Park is the most advanced in the development process and, as such, it should be an exemplar.

The Quinn Homes development at Grove Park, Sellindge is about to open their show home.

The Councilors will be having a presentation there on Thursday 20th July.

The planning permission at Princes Parade has been extended to allow for contamination reports to be completed and to allow time for community consultations as to what they would like to see on the site.

The Council will look at extending public access and improving the facilities at the Canoe Centre.

FHDC remain committed to a replacement for Hythe Pool. We will bring forward proposals for a new pool and facilities at Martello Lakes, which both serve the Hythe and Romney Marsh, and which we will make accessible by bus and bike.

FHDC are backing the levelling up fund regeneration of Folkestone Town Centre, and especially those parts which make the town a better experience for pedestrians, cyclists, and bus users.

The Council will back the bus station reconfiguration as long as it delivers a better service for bus users.

FHDC now have a dedicated phone number to report missed bin collection for those people who don't have access to a computer with internet connection, the number is 01303 853 660. This number is only for missed bin collections, other issues cannot be reported on it. I would still encourage you to sign up for the My Account service if you are able to. Just to let you know, Operation Brock is being put in place from the 14th July for the summer holiday period.

**HI KENT – Reg Charity 1052036** [www.hikent.org.uk](http://www.hikent.org.uk) *The local charity for people with a hearing loss*  
Hi Kent provides FREE NHS hearing aid aftercare, advice and battery supply.

The local hearing aid maintenance clinic will be in Coffee & Company in the Main Hall, Sellindge Village Hall on **Tuesday August 8<sup>th</sup> from 10.15am to 11.15am.**

**KCC COUNCILLOR** Susan Carey, Elham Valley Ward. [susan.carey@kent.gov.uk](mailto:susan.carey@kent.gov.uk) 01303 670 561

KCC is holding several public consultations from topics as diverse as the Minerals & Waste Local Plan, the Local Transport Plan for Kent, the Community Warden Service, Family Hubs, the Household Waste Recycling network and (perhaps the most important of all) our 2024/25 budget which is about what level of Council Tax increase people would support and which services should take priority when we make savings. The best way to take part is to register via [www.letstalkkent.gov.uk](http://www.letstalkkent.gov.uk) you can get a hard copy from a library.

KCC does not run bus services in Kent but KCC does administer the issuing of the Older Person's Bus Pass, arranges school transport for eligible pupils and we also subsidise the Kent Travel Saver for young people (this is something we choose to do but are not required to do). Our Public Transport Team works with the bus companies but we do not control them. Sadly, the number of people using the buses has not returned to pre-Covid levels despite initiatives such as the Government's £2 cap on bus fares and Stagecoach is now proposing to consolidate its services so that it has a more sustainable network. In other words it intends to only run buses where the number of people travelling covers the cost of running the service.

KCC put in a bid to Government for a Bus Service Improvement Plan (BSIP) and have won £16.1m which can be used for initiatives to boost bus travel. A large part of this funding is being used to freeze the cost of the Kent Travel Saver bus pass for young people. (Currently £450 for standard pass and £120 for low-income households.) The 16+ Travel Saver Pass is also frozen at £500. BSIP funding was also used for the free travel weekend (24/25 June) and this led to an increase of around 34% in the number of people travelling. Other initiatives include free bus travel for families on low income during the school holidays (eligible families will automatically receive a voucher) and extending the hours that Concessionary bus passes can be used in August. Whilst we can't use the BSIP money to subsidise bus services that have no realistic prospect of ever becoming viable, our Public Transport Team is working to secure some of the threatened services as part of our tendering process for school bus services. There is a summary of changes proposed by the bus companies on the KCC website

<https://www.kent.gov.uk/roads-and-travel/travelling-around-kent/bus-travel/bus-services-in-kent>  
and the bus companies themselves should be communicating any proposed changes.

You may have seen reports in the media that KCC is currently involved in legal action against the Government. The Government's National Transfer Scheme, which is supposed to share the burden of dealing with Unaccompanied Asylum Seeking Children (UASC) between all local authorities, is not working effectively. The rate of arrivals of UASC in Kent is greater than our capacity to care for them. It's a very serious problem and it is regrettable that we have had to go to the High Court for resolution. I'd like to end this report with some good news. KCC will be taking the lead for Kent and Medway in creating a Local Nature Recovery Strategy. This is a requirement of the 2021 Environment Act and the purpose of the strategy is to 'identify locations to create or provide habitat most likely to provide the greatest benefit for nature and provide other environmental benefits, such as carbon sequestration, flood and water management and nature-rich places that support improved health and wellbeing.' The Government is providing funding for this work which will involve consultation with farmers, landowners and the wider public and we expect to have strategy tailored for Kent and Medway by May 2025.

It's a real recognition of the importance of nature and an opportunity I hope we can all welcome.

## **SELLINDGE WALKING GROUP**

We meet at the Village Hall on a Tuesday morning at approximately 10.20am and set off at 10.30am. We walk for 1 and 1/2 hours around the village using local footpaths.

This does involve crossing fields and climbing over stiles so appropriate footwear is advisable.

We are no longer part of the NHS Walking for Health Scheme just a group of locals who enjoy walking.

Everyone walks at their own risk.

**STOUR DOWNS PARISH** Vicar's letter –

This is a time of year when many are looking forward to holidays, perhaps travelling to new or familiar places, enjoying some sunshine, sitting by a pool, or something more adventurous. Perhaps you might be away with family over the school holidays, or plan to enjoy a quieter break when the children are back in school. Those contemplating holidays at this time of the year may be thinking about how great it will be to get away from the stresses of everyday life, to go to a place where we can unwind, chill out, kick back and do what we like for a couple of weeks.

Life is full of pressures – work, family, running a home, and there is so much unsettling news and financial worries around at the moment. Recently, amongst all the busyness of a summer of weddings, baptisms and being a part of our school communities at the end of the academic year, I've held on to the promise of rest to come, been reminded of the promise of Jesus to be the one who carries burdens, in whom we can find rest.

The Message version of Matthew 11 says 'Get away with me and you'll recover your life. I'll show you how to take a real rest. Walk with me and work with me — watch how I do it. Learn the unforced rhythms of grace.' (Matthew 11:28-29, *The Message*)

Taking time to be in the presence of God and to find quiet, peace and reflection, is something for me - like many other Christians- that is something precious and life-giving. I try to keep one day a month as a "quiet day" to be with God. When Jesus says in Matthew 11 'walk with me' – I try actually doing that and going for a reflective walk, feeling close to God in the outdoors and in creation around. It increases my sense of knowing and being in relationship with Jesus. It stills my soul.

Holidays are great, unwinding and chilling out are important. How does that compare with what Jesus offers in terms of rest, recovery, and a relationship that might offer some of what we try to get away for, all year round? *God Bless, Blessings Chris*
